FFPSA Daily Tiered Rates

*CFS Case Rate - Open CPS Case

*Prevention Track Rate - Closed CPS Case

Mileage tiers are based on the distance from the HFA office and each family's home address.

The HFA program may bill the daily rate for any family referred from child welfare where the caseworker has completed the referral form documentation, called a "Green Phone Referral." The daily rate may be billed for every day of the month from the point of first contact for as long as the family voluntarily participates.
