RE: Service Provider Agency Directory

The purpose of this provider bulletin is to inform you that DDD is in the process of updating the web directory for Service Provider Agencies of Community Based Services.

Please review the attached document for accuracy of information.

There are four areas which service provider agencies are requested to review:

1) Alphabetical listing - begins on page 4. A new feature to the directory will include website information to link directly to a provider webpage.
2) Geographic listing - by agency city – begins on page 16.
3) Geographic listing - by county of service – begins on page 30.
4) Services offered chart - begins on page 43.

Responses are due to Joyful Stoves by June 25, 2016 if you are requesting a change to the information in the directory.

If you have any questions about this provider bulletin, please contact Joyful Stoves, Communications Coordinator at 402-471-7910 or via email at joyful.stoves@nebraska.gov.
