Keynote Speakers

Deborah Fournier
The importance of community and clinical linkages and how to engage partners in health equity

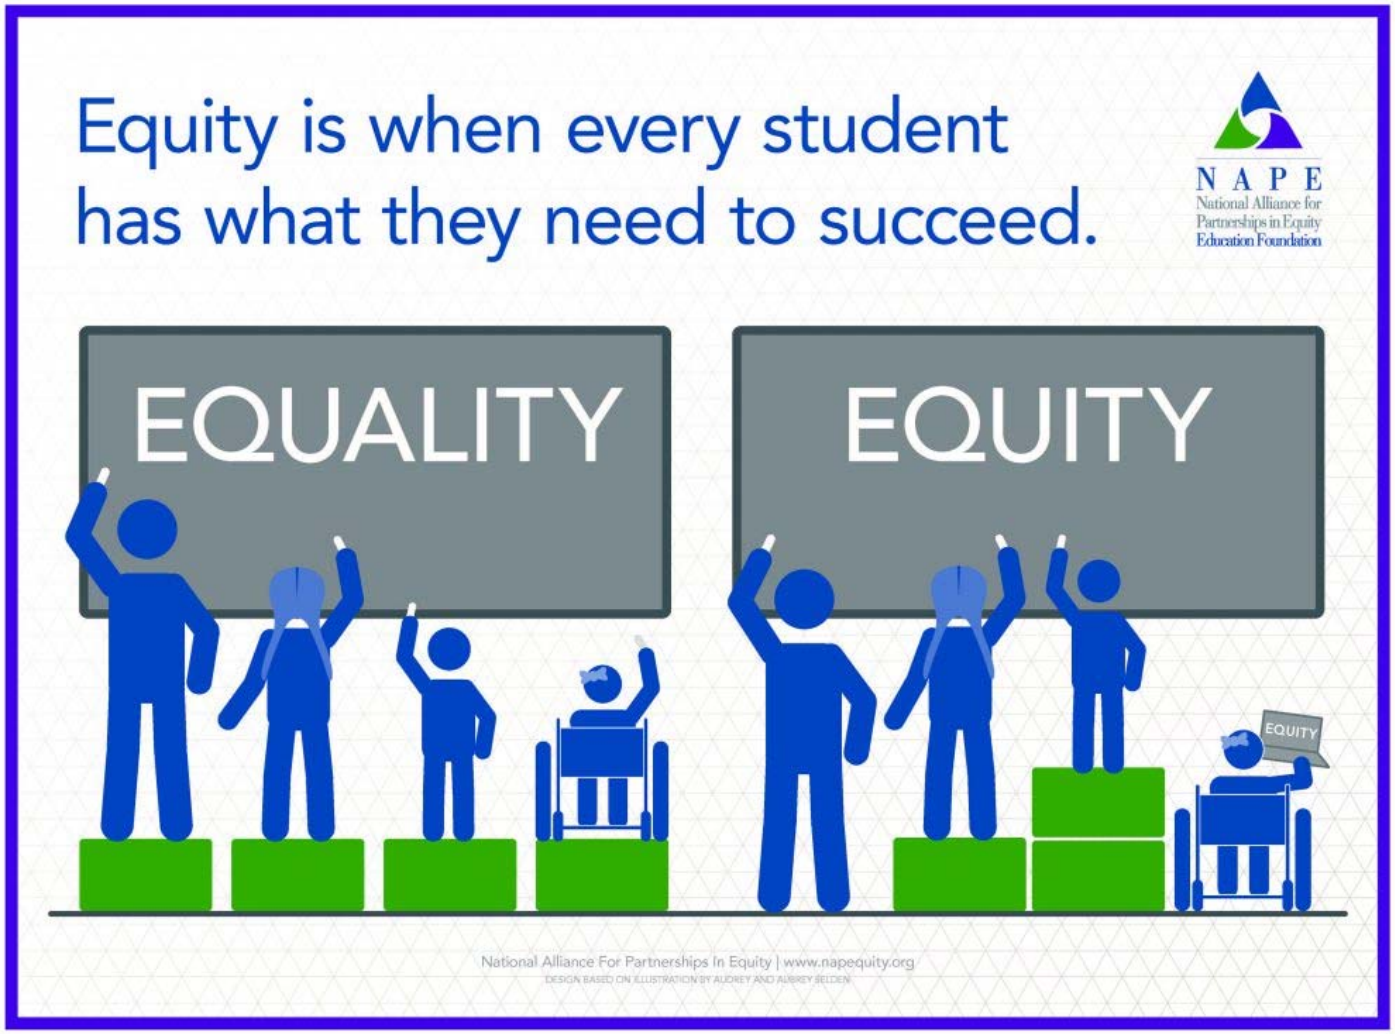
Rodrigo Monterrey
Implementing CLAS for continuous quality improvement

Edward Ehlinger
Triple Aim of health equity and how to achieve optimal health for all

Health Equity
=
Everyone has a fair opportunity to live a long and healthy life.

Breakout Rooms

- Room B – Increasing Quality Care for Special Populations
- Room E - Bridging Gaps to Ensure Equitable Care
- Room F/G - Delivering High Quality Services
- Room I - Leveraging Innovation in Care Delivery



Equity is when every student has what they need to succeed.

INFLATABLE COLON IS HERE!!!

As you enjoy the Minority Health Conference and network with your peers….come find the World Famous Roland the Inflatable Colon! Members of the 2019 Community Health Worker Course are offering guided tours, information, and will be able to answer questions you may have pertaining to it! Stroll on through, take photos and then share them with us at dhhs.chw@nebraska.gov so we can promote the travels of Roland the Colon! ☺

REACHING FOR
Health Equity
Reducing health disparities brings us closer to reaching health equity.
BEST HEALTH POSSIBLE
BEST HEALTH POSSIBLE
Programs designed to reduce health disparities

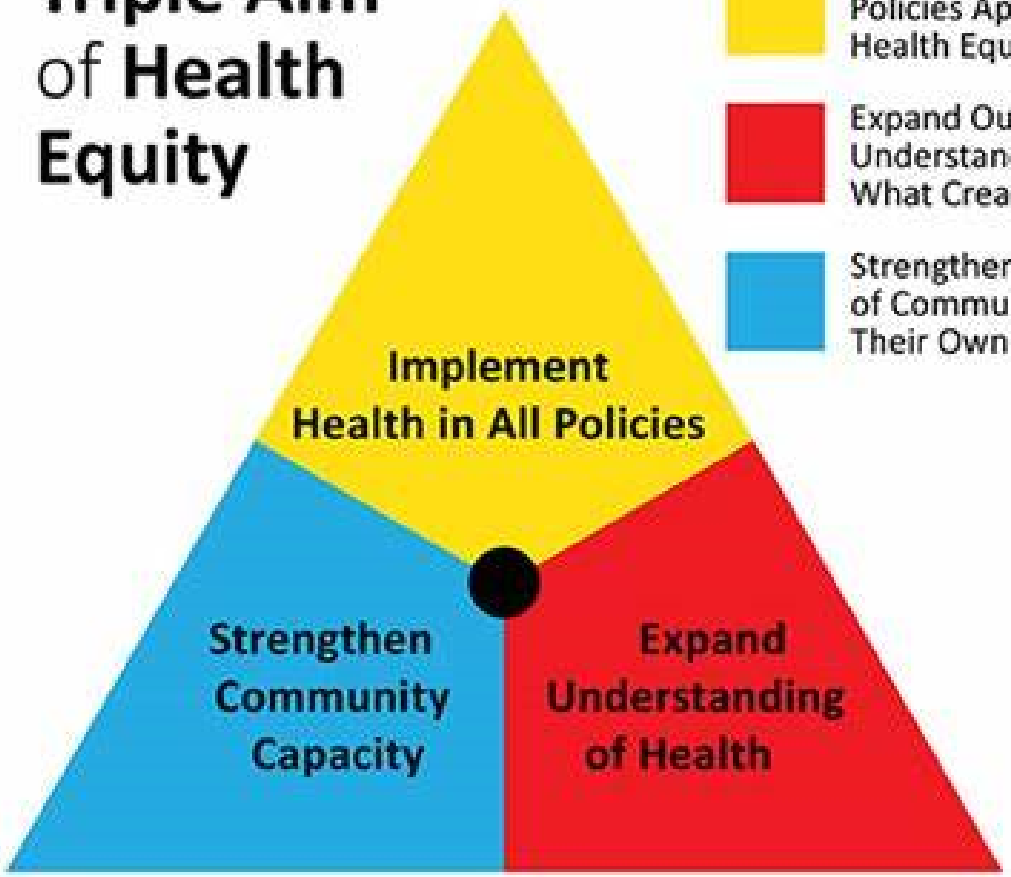
Free Blood Pressure Clinic Today!

During conference breaks, students in the DHHS Community Health Worker class will be taking blood pressures. Find them at the **DHHS Health Navigation** exhibitor table and get your blood pressure checked.

Triple Aim of Health Equity



- Implement a Health in All Policies Approach With Health Equity as the Goal
- Expand Our Understanding of What Creates Health
- Strengthen the Capacity of Communities to Create Their Own Healthy Future

Robert Wood Johnson Foundation

The Path to Achieving Health Equity

What social and economic factors must be addressed on the continued path to achieving Health Equity?

Health Equity aims to ensure that all people have full and equal access to opportunities that enable them to lead healthy lives.
