

# Nebraska Medicaid HTTP/S Trading Partner Testing Status Form

- A Testing Status Form must be completed by the Trading Partner and submitted to Nebraska Medicaid's EDI Help Desk in order for the test submissions for the selected transaction to be reviewed for production consideration
- All sections on Testing Status Form must be completed fully and accurately in order for Nebraska Medicaid to review your test submissions
- A separate Testing Status Form must be submitted for each transaction type that you have selected to test (i.e. one form required for 270 Real-Time, one form required for 276 Batch, etc.)
- All successfully completed transactions for the selected transaction type must be detailed in section III

---

**I. Provide your Trading Partner Information**

Trading Partner ID:

Trading Partner Name:

**II. Select the transaction type you are testing:**
