

End of Public Health Emergency (PHE) Unwind

The Nebraska Medicaid Maintenance of Eligibility (MOE) Unwind Ends on **April 30, 2024**. DHHS will have reviewed Medicaid renewals over a fourteen (14) month period from March 1, 2023, to April 30, 2024. Staff will continue to review until all Medicaid renewals are completed.

Normally, Nebraska Department of Health and Human Services (DHHS) checks once per year to make sure you still qualify for Medicaid coverage. These yearly reviews are called “renewals.” During the COVID-19 pandemic, DHHS has not ended anyone’s coverage.

If you are found to be no longer eligible, Nebraska Medicaid may send your information to the federal marketplace (also known as [HealthCare.gov](https://www.healthcare.gov)). The federal marketplace will help the member apply for low cost coverage.

Telehealth

Though Nebraska Medicaid has been a leader in the availability of telehealth coverage for many years, the PHE expanded the use of telehealth significantly.

The knowledge and experience gained throughout the pandemic inform the principles of this updated telehealth guidance.
