Culturally and Linguistically Appropriate Services – CLAS Standards

- Why Bother? VIDEO
- Grant Obj. 2.2 Systems Integration
Promote adoption of family-centered and culturally and linguistically appropriate services in tele-behavioral health.
Outcome: Benchmarks for family inclusion, CLAS and literacy practices are set for enrolled providers, overseen by advisory committee. Measures are taken and quality improvement strategies activated.
- Discussion
 - Reviewing CLAS standards
 - Current practice in organizations represented
 - Family Inclusion
 - Forming Technical Workgroup #2

Action steps
