

Nebraska State Transition Plan

Non-Residential Site Monitoring Assessment Questions

1. Does the setting provide opportunities for regular, meaningful, non-work activities in integrated community settings for the period of time desired by the participant? **1.1**
2. Does the setting afford opportunities for participants to have knowledge of or access to information regarding competitive employment outside of the setting? **1.3**
3. Does the setting afford opportunities for individual schedules that focus on the needs and desires of the participant? **1.2**
4. Does the setting assure that tasks and activities are comparable to tasks and activities for people of similar ages who do not receive HCBS? **1.11**
5. Does the setting allow and support participants in engaging in legal, age-appropriate activities in a manner similar to those who do not receive HCBS? **4.6**
6. Do the setting options include the opportunity for the participant to choose to combine more than one service setting or type of HCBS in any given day/week? **2.3**
7. Does the setting ensure that each participant's supports and plans are specific to the participant and are not restrictive to the rights of all participants receiving support within the setting? **3.7**
8. Does the setting assure that staff interact and communicate with participants respectfully and in a manner in which the person would like to be addressed? **3.4**
9. Are participants made aware of the agency's complaint or grievance process including how to make an anonymous complaint? **3.3**
10. Does the setting offer participants the ability to choose with whom to do activities inside or outside of the setting? **4.3**
11. Does the setting allow for participants to have meals and snacks when and where they choose within or outside the setting? **8**
12. Is all information about participants kept private? **3.1**
13. Does the setting allow participants the freedom to move about inside and outside of the setting as opposed to one restricted room or area within the setting? **1.4**
14. Is the setting physically accessible? **1.12**
15. Does the setting provide private areas for personal needs? **3**
16. Does the physical environment provide a variety of spaces to support participant needs? **4.2**
