

# The Alliance of States with Prescription Monitoring Programs

Alliance of States with  
Prescription Monitoring Programs

# Alliance Mission

- Provide a forum for the development, sharing, and exchange of information and ideas about all aspects of prescription monitoring programs in an effort to curtail drug diversion and abuse while simultaneously ensuring patient care.

# PMP Training & Technical Assistance Center

Alliance partnership with Brandeis University

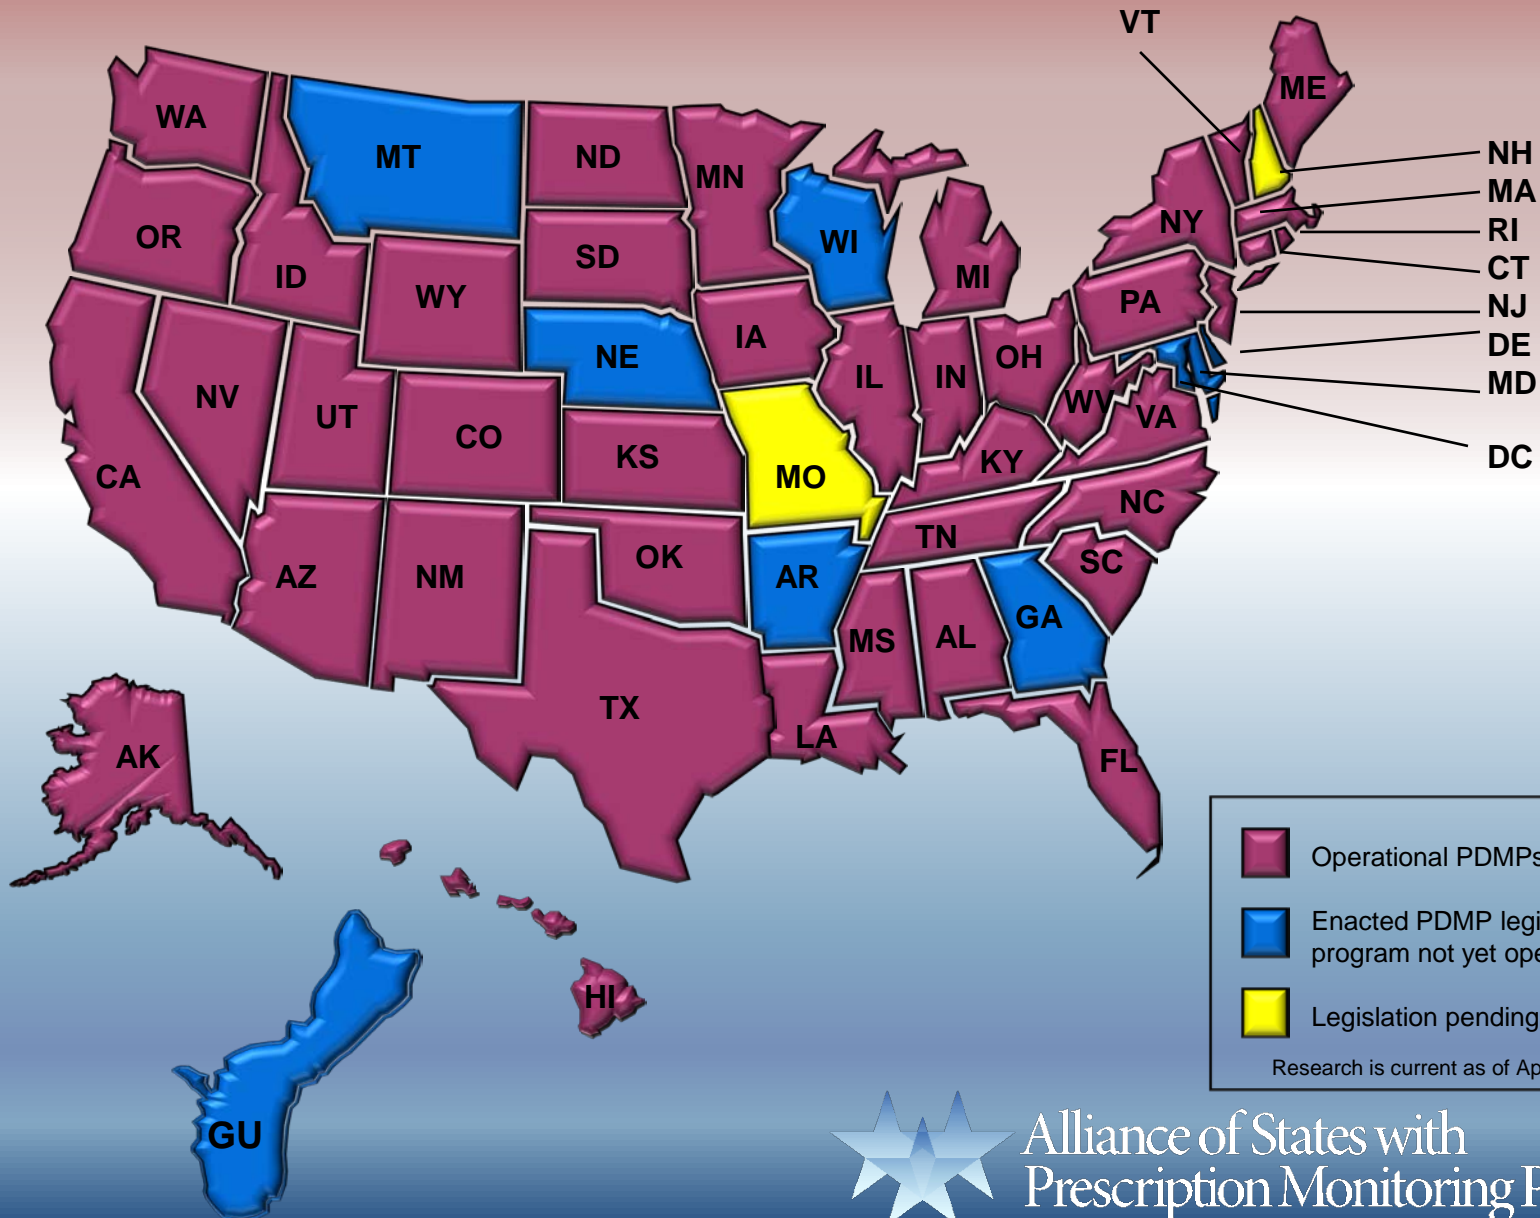

To be a responsive resource for assistance and training to support state PMPs, non-PMP states and other stakeholders (i.e., BJA, DEA, SAMHSA)

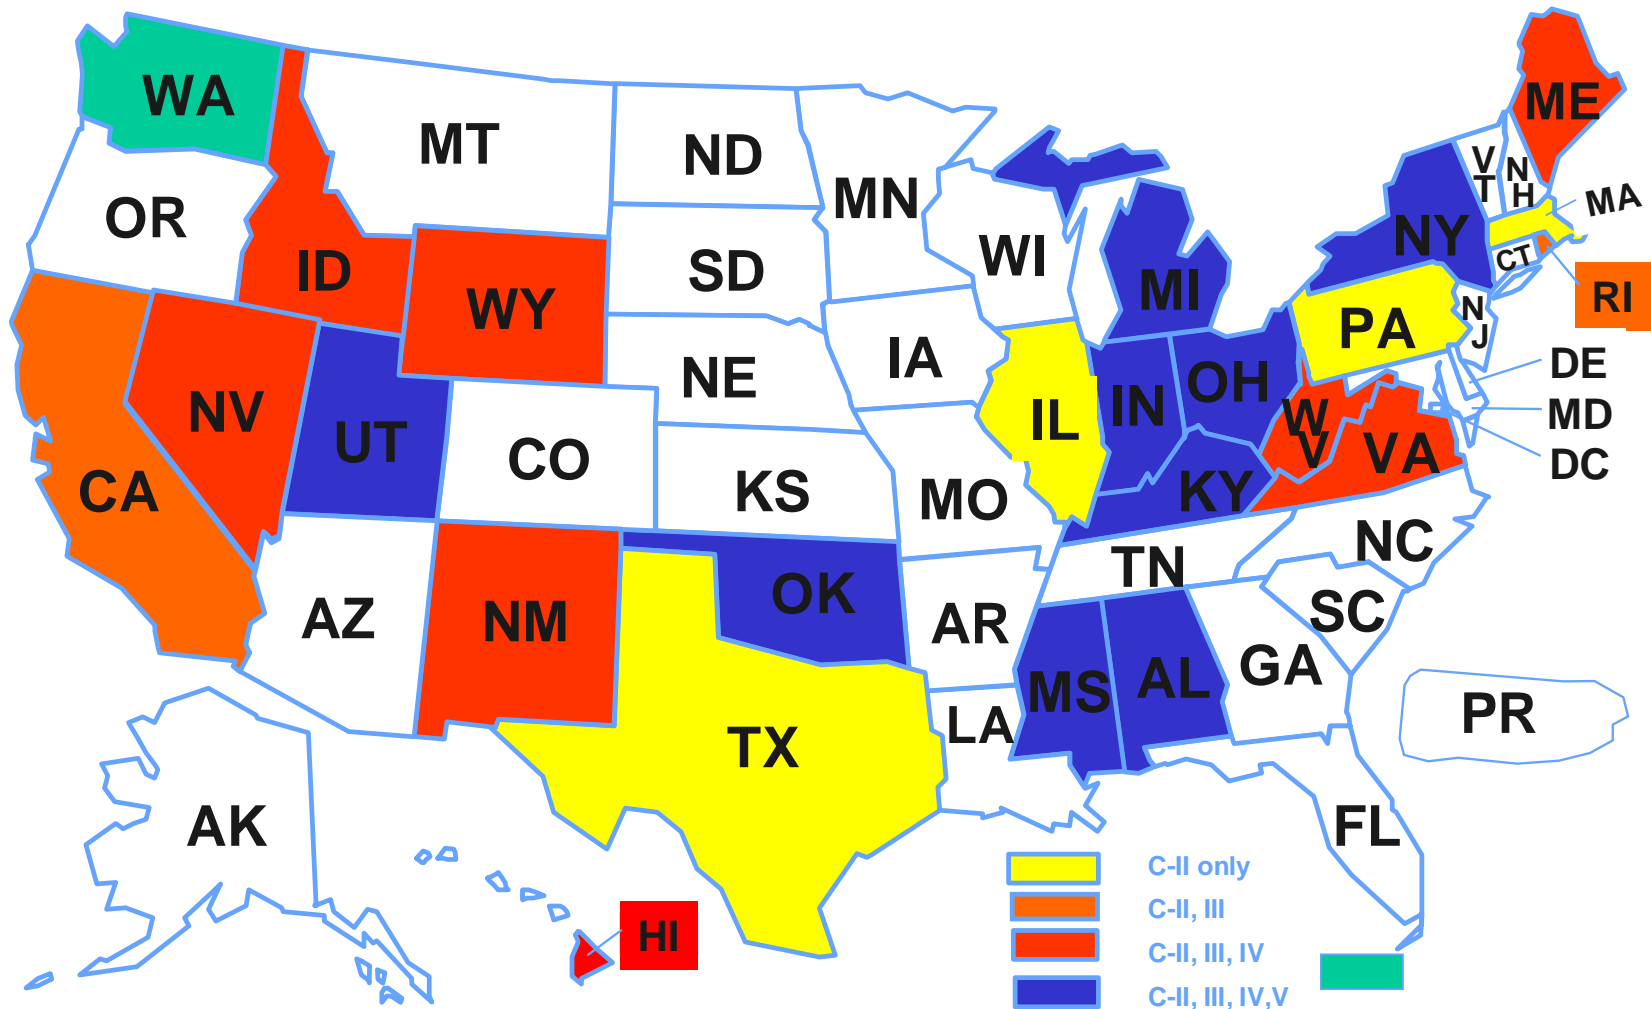

- Compiling, organizing, assessing and making available PMP materials, research findings, legislation, etc.
- Facilitating exchange of knowledge, expertise, and tools among PMPs
- Developing training to address emerging needs among PMPs
- Tailoring technical assistance to individual PMPs
- Helping to organize the “voice” of PMPs

Alliance of States with  
Prescription Monitoring Programs

# Status of Prescription Drug Monitoring Programs (PDMPs)

(Selectively identifies some drugs in the scheduled groups)

Alliance of States with  
Prescription Monitoring Programs
