Healthy Lifestyle Questionnaire

Please fill out this form. Filling out this form will help Every Woman Matters (EWM) and the Nebraska Colon Cancer Screening Program (NCP) determine what services are best for you.

Even if you are not able to get services, you can still get health education.

WHAT YOU NEED TO KNOW:

- You must NOT have health insurance that would pay for preventive services.
- Please answer ALL questions. If you don't we will call you or send the form back to you and this could delay important health screenings.
- Please PRINT clearly. Use a black or blue ink pen. Do not use pencil.
- This is NOT your screening card. Please do not make an appointment with your health care provider until you get a Screening Card.
- After you send this to EWM/NCP, it will be reviewed to see what screenings you are eligible for. This usually takes up to 2 weeks.
- Once the program determines what screenings you are eligible for, a Screening Card and this HLQ, will be returned in the mail so that you can take them to your appointment to give to your healthcare provider.

WHAT YOUR PROVIDER NEEDS TO KNOW:

- Screenings were determined based upon the HLQ submitted to EWM/NCP.
- This HLQ was mailed back to the client with a Screening Card. Client was instructed to bring the form so you can discuss benefits of healthy lifestyle behaviors.
- Clinics may keep the HLQ as a part of the client chart, if so desired.

Thank you for taking time for your health!

If I am enrolled in the program and receive a home based stool kit from the program and have a positive test, it will be followed up with a colonoscopy.
  - If I receive a colonoscopy through NCP I understand that I may be asked to pay 10% of the cost.
  - I understand that my payments will help others with colonoscopy costs through NCP.
