Organizational Leadership

The Division of Behavioral Health primarily operates out of a central office in Lincoln. The central office includes Community-Based Services and the Office of Consumer Affairs.

The Office of Consumer Affairs focuses on consumer/peer support services, relationships, planning, research, and advocacy for all consumers.

Reflects staff as of March 2019.
The Division of Behavioral Health (DBH) is the chief behavioral health authority for the State of Nebraska*, responsible for administration and coordination of the public behavioral health system. This includes provision of planning, funding, oversight, and technical assistance to a network of services delivered through the following:

- Six Behavioral Health Regions
- Four federally-recognized tribes
- Other nonprofit agencies and organizations providing community-based services
- DHHS Regional Centers

*Neb. Rev. Stat. §71-806
Consumer Demographics

32,579* Unique consumers who received community-based services funded by DBH in FY2018*, a 6% increase over the 30,715 receiving services in FY2017.

Providing Support and Help to Nebraskans

Nebraska Family Helpline

The Family Helpline makes it easier for families to obtain assistance by providing a single contact point 24 hours a day, seven days a week. Trained operators screen calls to assess immediate safety needs, identify the potential level of crisis, and make recommendations or referrals to appropriate resources.

5,405
Documented calls to Nebraska Family Helpline.

3,582
New, unique families who contacted the Family Helpline in FY2018.

5,861
Referrals to services provided to families by Helpline counselors.

Any Problem. Any Time.
