7.	Period of Performance Start*	January 1, 2021

*\*The Period of Performance start may occur before a Subaward is finalized, agreed to, and executed by the parties. Because this is just the period during which costs are allowable, it does not reflect that any agreement between DHHS and any successful Applicant has gone into effect or is binding in any way. No binding agreement has been made between DHHS and any Applicant until a Subaward is fully executed by both parties.*

This addendum will become part of the Application and should be acknowledged with the Request for Applications response.
