The total anticipated available funds for Subaward(s) under this RFA is $2,000,000 [two million dollars]. A total award of this amount of funds is not guaranteed, but is subject to the Applications received, to actual money awarded to DHHS from the Federal Awarding Agency, and to DHHS’ discretion. DHHS may establish a cap on total amount of funds that any one Applicant, or Applicants acting jointly, may request. Any cap shall be set forth in the Applications Instructions, Section 4.4, below. The total funds may be split among multiple Subrecipients in the discretion of DHHS.

Subawards from this RFA shall not also contain state funds. Any conditions imposed on the federal funds shall also apply to all state funds.

Any activities or services reimbursable under this RFA cannot also be reimbursed under any other source of federal funding.

1.2 Period of Performance

The Period of Performance is the time during which a successful Applicant may incur costs to carry out the work authorized under this RFA and the resulting Subaward. See the definitions in 2 CFR § 200.77 or 45 CFR § 75.2. The initial Period of Performance for this RFA is from January 1, 2021 to December 31, 2021. This period may be extended by DHHS as allowable by the Federal Funding Agency. If state funds are involved in the award, this may also determine whether DHHS may extend a Period of Performance.

For the initial Period of Performance, all costs must be invoiced to DHHS by March 30, 2022 and liquidated (i.e., spent) by December 31, 2021. These dates are dependent on federal periods of allowability and DHHS’ own ability to timely process payments. They may be subject to change; final dates will be included in the final Subaward between the parties. If an Applicant believes it cannot meet these deadlines, it should not apply for funding under this RFA. Obligation and liquidation deadlines may be extended as allowed by the Federal Funding Agency, but no extensions are guaranteed. Future Periods of Performance, as allowed by DHHS, may have different obligation and liquidation deadlines.

1.3 Applicable Law

Because the funds to support the activities under this RFA involve federal funds, usage of these funds is subject to federal law, in addition to any applicable state law. The Uniform Grant Guidance, 2 CFR §§ 200 et seq. (“UGG”) applies to subawards funded from the United States Department of Agriculture (USDA), the Department of Housing and Urban Development (HUD), the Department of Labor (DOL), the Environmental Protection Agency (EPA) or other federal agencies. The United States Department of Health and Human Services (HHS) has adopted the UGG, but has implemented and re-codified it at 45 CFR §§ 75 et seq. (“HHSGG”); for awards funded by HHS, those regulations apply. Throughout this RFA, both the UGG and the HHSGG will be cited, although they are substantially similar.

The HHSGG shall apply to this RFA if it awards funds from block grants authorized by the Omnibus Budget Reconciliation Act of 1981, unless Nebraska statute or regulation has established provisions for the payment costs and services; in all other respects, as provided herein, those block grant subawards are governed by 45 CFR §§ 96 et seq.

Additional federal and state statutes and regulations may apply to the funding contained herein. These may be included in Additional Program Requirements, Section 5.7, below, as well as in the Subaward itself.
Further information about allowable costs and activities may be set forth herein.

1.4 Eligible Entities
Any Applicant for this RFA must be a “non-federal entity,” as set forth in 45 CFR § 75.2 or 2 CFR § 200.69. A “non-federal entity” is limited to local governments, Indian tribes, institutions of higher education, or nonprofit organizations; further definitions in the UGG or the HHSGG may apply. If this RFA involves funds from the United States Department of Labor, the definition of “non-federal entity,” per 2 CFR § 2900.2, includes for-profit entities, as well. Any Application submitted by an Applicant who is ineligible shall be rejected without scoring.

1.5 Award of Funding
DHHS will evaluate Applications in the manner set forth herein. An Intent to Subaward will be posted on the DHHS Website with selected Applicants. Funds will be awarded through a written agreement, termed a Subaward, which will incorporate this RFA by reference. No promise for funds is binding on DHHS, and no funds will be paid to any Applicant until a Subaward has been executed by both the Applicant and DHHS.

DHHS has the option to renew this subaward agreement for up to two (2) additional one-year periods. Total funding available for each optional renewal period shall be up to $2,000,000.

In the Evaluation of Applications, DHHS shall not discriminate for or against an organization on the basis of the organization’s religious character or affiliation, as consistent with 45 CFR §§ 87 et seq.

3.5 Evaluation Committee
Applications are evaluated by members of an Evaluation Committee(s). The Evaluation Committee(s) will consist of individuals selected at the discretion of DHHS. All members of the Evaluation Committee will disclose to DHHS any potential conflicts of interest before evaluation. Members with a conflict will be removed from the Evaluation Committee before scoring.

Any contact, attempted contact, or attempt to influence an evaluator that is involved with this RFA may result in the rejection of this Application and further administrative actions.

3.6 Evaluation of Applications
All complete Applications that are responsive to the RFA will be evaluated. DHHS reserves the right to evaluate Applicants and award funds in a manner utilizing criteria selected at DHHS’ discretion and in the best interest of meeting the objectives of the funding involved. The Evaluation will be conducted by the following method:
DHHS will initially evaluate all Applications to determine whether the Applicant is an eligible entity; whether the Application meets the minimum requirements of this RFA; and whether the Applicant poses risk of noncompliance with federal statutes, regulations, and the terms and conditions of the Subaward, such that DHHS should not award funding. DHHS will award to the top scoring Applicant or Applicants, as DHHS determines and as funding allows. DHHS will conduct a fair, impartial, and comprehensive evaluation of all Applications in accordance with the predetermined criteria based on the Application. The Applicant’s responses to the Forms will be scored through a point method set forth below. DHHS will evaluate on the following categories with a maximum point potential for each:

3.6.1. **Applicant’s Organizational Overview.** Applicants will receive high scores if they have a defined and clear organizational structure; organizational experience in federal grants; qualified and capable personnel with experience in federal grants or equivalent credentials or experience; or can otherwise demonstrate that they will be a reliable Subrecipient who will use all awarded funds in a manner consistent with law and the requirements of this RFA. (50 points)

3.6.2. **Applicant’s Work Plan.** Applicants will receive higher scores if their work plan responds to the Project Description and meets the goals or objectives of the federal funding and RFA, as well as evidencing the ability to meet expected outcomes, adhere to reporting deadlines or other deadlines, and complete any required evaluation activities. DHHS exercises sole discretion as to whether the Application adequately addresses the purposes and objectives of the federal funding DHHS has received. (100 points)

3.6.3. **Applicant’s Budget.** Applicants will receive higher scores if the budget is tailored to the work plan and utilizes allowable direct and indirect costs. Total request for funding itself will not determine score; rather, Applicants will be scored based on whether budget accurately reflects allowable costs of completing the work set forth in the work plan. (25 points)

There are 175 total points available for Applications under this RFA.

DHHS may award to a single top Applicant, or may award to multiple top scoring Applicants, in its sole discretion. If all Applicants meet the minimum requirements and are meritorious, DHHS may also elect to award to all Applicants.

3.7 **Late Applications**
Applications received after the time and date of the Application opening will be considered late Applications. Late Applications will be rejected. All Applications must be electronically or physically received by the date and time of the Application Opening. The State is not responsible for Applications that are late or lost regardless of cause or fault. It is the Applicant’s responsibility to ensure Applications are received timely.

3.8 ** Corrections**
An Applicant may correct a mistake in an Application prior to the time of opening by giving written notice to the POC of intent to withdraw the Application for modification, or to withdraw the Application completely. Changes in an Application after the Evaluation Period has begun are acceptable only if the change is made to correct a minor error. Whether an error is minor shall be determined by DHHS.

3.9 **Grievance and Protest Procedures**
All grievances must follow the DHHS Subaward Grievance/Protests Procedures, available on the DHHS website. Grievances must be filed timely.

3.10 **DHHS Reservations of Authority During Application and Evaluation Process**
After Evaluation of the Applications, or at any point in the RFA process, DHHS may take one or more of the following actions:
3.10.1. Amend the RFA;
3.10.2. Extend the time of or establish a new Application opening time (i.e., allowing additional time to submit Applications);
3.10.3. Waive deviations or errors in the RFA process and in Applications that are not material, do not compromise the RFA process or an Application, and do not improve an Applicant’s position;
3.10.4. Accept or reject a portion of or all of an Application;
3.10.5. Accept or reject all Applications;
3.10.6. Withdraw the RFA; or
3.10.7. Elect to reissue the RFA.

DHHS reserves the right to adjust the Applicant’s budget with successful Applicants after the Intent to Subaward is issued. DHHS also reserves the right to adjust the Work Plan with Applicant to meet the requirements of the grant, Federal Funding Agency, law, or to meet DHHS programmatic needs. DHHS also reserve the right to apply additional conditions based on the successful Application and the result of a pre-award risk assessment. If a scoring method is used to rank applications to determine funding amounts, all adjustments shall have no bearing on rank.

If DHHS rejects all Applications, it may enter either reissue an RFA with the same or different specifications and terms, or it may negotiate a single or multiple Subawards with individual Applicants or non-Applicants.

3.11 Statewide Administration

This RFA requests applications from entities experienced in Statewide administration of pregnancy support services. The winning Statewide administrator shall supplement its delivery of services via contracts with a network of local service providers who shall be compensated on a fee-for-service basis in such a manner as to maximize Statewide coverage of service.

Applicants may cooperate or submit Applications jointly, but all such applications must clearly identify the Applicants involved, the roles each will have administering the Subaward, and that they are eligible for the Subaward as set forth herein.

Applicants may create a legal entity, or describe a plan for the creation of a legal entity, as a cooperative or joint venture if the entity itself is eligible for the Subaward and all Applicants are also eligible. DHHS shall determine the proper method for any resulting Subaward, should the joint Applicants be selected for funding.

If an Applicant has or has prepared a cost allocation plan for this Subaward, it may submit it along with the Application.

If Applicants plan to charge indirect costs other than through a cost allocation plan, Applicants thus must provide one of the following along with their budget: 1) A current federally-approved indirect cost rate agreement; 2) A currently approved indirect cost rate agreement with DHHS; or 3) A calculation of *de minimis* indirect costs consistent with federal rules. DHHS may provide a calculator to aid programs in calculating *de minimis* indirect costs, upon request;

Indirect costs and cost allocation plans may also be negotiated after the Intent to Subaward. As consistent with law, Applicants may voluntarily opt to take a lower indirect rate than their approved agreement, or indirect cost calculation, allows.
5 TERMS
Applicants must be aware of the following terms when submitting their Applications. These terms will be included in the resulting Subaward between the parties, as well.

5.1 Addenda
The following Addenda will be incorporated into any Subaward with a selected Applicant. They are available online at the DHHS Website:

5.1.1. Addendum A - DHHS Standard Terms – Subawards
5.1.2. Addendum B - DHHS Insurance Requirements – Subawards

DHHS reserves the right to amend these terms at any time during the RFA; to negotiate the terms with selected Applicants; to amend or change these terms for any subsequent Subaward signed and executed by the parties; or any combination of the above. Terms required by federal or state law will not be negotiated, and if an Applicant cannot agree to these terms, DHHS may withdraw or modify the Intent to Subaward and take any of the actions set forth herein.

5.2 Budget Changes
The final Subaward may contain terms to allow a Subrecipient to modify a budget, with or without approval from DHHS. Applicants should not, however, rely on this when submitting budgets.

5.3 Direct Costs
Under this Subaward, DHHS shall only pay for actual and allowable costs (as defined in this section) incurred during the Period of Performance.

To be allowable, all costs must be:

5.3.1. Necessary for the performance of the Subaward activities;
5.3.2. Reasonable, as provided in 2 CFR § 200.404 or 45 CFR § 75.404;
5.3.3. Allocable to the federal award, as provided in 2 CFR § 200.405 or 45 CFR § 75.405;
5.3.4. Consistent with all other requirements of the Cost Principles in 2 CFR § 200 Subpart E or 45 CFR § 75 Subpart E; and
5.3.5. Consistent with all other law, regulation, policy, or other requirements applicable to the state or federal funds involved.

To be actual, all costs must be finalized and spent by the appropriate dates set forth in the Subaward.

Particular Federal Funding Agencies may have additional requirements and stipulations regarding allowable costs under that particular funding.

Applicants should be aware that direct personnel costs must be consistent with 45 CFR § 75.430 or 2 CFR § 200.430, as applicable. These costs must be able to be backed by sufficient documentation, or must be shown to be allocable to the award via an alternative, allowable method, such as a random moment time study.

5.4 Indirect Costs
Federal law defines indirect costs as "costs incurred for a common or joint purpose benefitting more than one cost objective, and not readily assignable to the cost objectives specifically benefitted, without effort disproportionate to the results achieved." 2 CFR § 200.56 and 45 CFR § 75.2. All indirect costs may only be paid if they are consistent with the UGG or HHSGG, as applicable.

As provided in 2 CFR § 200.414 and 45 CFR § 75.414, indirect costs may only be paid from a federal grant if paid through a federally-approved rate or a rate negotiated between DHHS and the Applicant. If the Applicant has never had a federally-approved indirect rate, it may charge indirect costs as consistent with the federal rules for de minimis indirect costs.

Cost Allocation plans may set forth a direct allocation of all costs under a Subaward, or may allocate only a portion of those costs along with an indirect rate. Subrecipients may not, however, charge items as direct costs and also as indirect costs.
5.5 Program Income
Any revenue generated by the Subaward is Program Income (see definition in 2 CFR § 200.80 or 45 CFR § 75.2). Program Income requires an accounting of its use and must be handled in accordance with 2 CFR § 200.307 or 45 CFR § 75.307. As per the Notice of Award for the federal funds involved in this RFA or from other regulation, all program income generated by the Subawards awarded as a result of this RFA must be handled under the addition method. Please see the regulations cited above for more detail.

This RFA and any resulting Subaward will be subject to the HHS Grants Policy Statement. A copy of it is available here: https://www.hhs.gov/sites/default/files/grants/grants/policies-regulations/hhsgps107.pdf
