Question Number	RFA Section Reference	RFA Page Number	Question	DHHS Response
1	II.K.1 Follow up to question #28 of Question and Answer period.	16	<p>[I]s it accurate that a provider should include the rate of out of home care payment (determined by the NCR), to include the payment to the foster parent and the administrative rate to the agency, as well as additional service delivery and operational costs in their budget and rate sheet for this project?</p> <p>For many reasons this clarification is important, mostly because DHHS is suggesting a case rate structure for this service, however out of home payments are made by child and assessed NCR score.</p>	The Applicant should provide the rate outside of what they would receive with the NCR.
