RE: Title 471 Nebraska Administrative Code (NAC) Chapter 11 – Indian Health Service Facilities

Please share this information with administrative, clinical, and billing staff.

The purpose of this bulletin is to notify providers regarding the Department of Health and Human Services' (DHHS) adoption of Title 471 NAC Chapter 11 – Indian Health Service Facilities. The regulations were approved through the hearing and adoption process and went into effect on June 5, 2018.

The changes identify insufficient or inconsistent language, restructure the regulatory chapter, and align with recent updates to the State Plan (encounter language), other NAC chapters, federal law, and best practices. A copy of the approved changes is available online at <https://www.nebraska.gov/nesos/rules-and-regs/regtrack/proposals/000000000001723.pdf>.
