This bulletin is being issued in follow up [Provider Bulletin 20-20](#) and in response the announcement from CMS on July 17, 2020 announcing their [extension](#) of the deadline for qualifying Medicaid & CHIP providers to apply for the Medicaid & CHIP Provider Relief Fund distribution. The new deadline is August 3, 2020.

To ensure that all qualifying providers are aware of the opportunity, as well as the new application deadline, Medicaid is reaching out to medical, behavioral, dental, and long-term services and supports (LTSS) providers to remind them that they can begin the application process [here](#).

The US Department of Health and Human Services will be hosting a webinar regarding provider relief funds. For more details, see below:

Additionally, included below are resources from Health Resources and Services (HRSA) on the Provider Relief Fund:

- **Program Overview:**  
The bipartisan Coronavirus Aid, Relief, and Economic Security (CARES) Act, Paycheck Protection Program, and Health Care Enhancement Act provide \$175 billion in relief funds to hospitals and other health care providers, including those on the front lines of the coronavirus response. A portion of these funds, under the Medicaid and Children's Health Insurance Program (CHIP) Provider Distribution, provide help for providers and clinicians who treat our most vulnerable populations, including low-income and minority patients. This is allocated for eligible providers that participate in state Medicaid and CHIP Programs and that did not receive a payment from the Provider Relief Fund General Allocation. The payment to each provider will be approximately 2 percent of reported gross revenue from patient care.
- **Fact Sheet:**  
HRSA released a [Fact Sheet](#) for Medicaid and CHIP Providers that is now available on the Provider Relief Fund website.
- **Recorded Webcast:**  
A recording of the June 25 webcast is now available at <https://www.hhs.gov/coronavirus/cares-act-provider-relief-fund/for-providers/index.html>.

- **Frequently Asked Questions (FAQs):**

In order to better address your most important concerns, HRSA has updated their [FAQs](#) to address common questions, including those submitted during the previous webcasts. The FAQs include expanded information on eligibility, application, payment process, and more.

- **Application Instructions:**

[Medicaid and CHIP Provider Distribution Instructions](#) and the [Medicaid and CHIP Provider Distribution Application Form](#) are available at [hhs.gov/providerrelief](https://hhs.gov/providerrelief). HRSA recommends downloading and reviewing these documents to help you complete the process through the [Enhanced Provider Relief Fund Payment Portal](#).
