SUBJECT: SHIIP Units in NAMIS

CONTENT: The Nebraska Department of Insurance oversees the Senior Health Insurance Information Program (SHIIP). Certified SHIIP Counselors provide information about health insurance options to qualified individuals and increases awareness about health care fraud.

If a service provider (senior center, Area Agency on Aging, etc.) would like to report SHIIP Counseling time to the State Unit on Aging (SUA), it should be reported under: 25. Counseling. Counseling is listed as a registered service – an intake is required. A SUA/Aging intake form is not needed, because the SHIIP program requires a completed intake form and is entered into the STARS system.

The SHIIP Counselor can provide the AAA with the total number of SHIIP Counseling hours. The AAA will enter the total Counseling hours in NAMIS under the "ZZA Guests" client profile.
