Broken Bow Child Care License Revoked

Lincoln—The Nebraska Department of Health and Human Services, Division of Public Health, has revoked the license of a child care provider in an emergency order issued last week.

Fae Beaumont, 43852 Paulsen Road, Broken Bow, can't provide care for any children other than her own.

She may request a hearing within 15 days of the receipt of the emergency revocation order and will be afforded a hearing within 10 days of the request, unless a continuance is granted.

An emergency revocation order is issued whenever the Department finds that an emergency exists requiring immediate action to protect the physical well-being and safety of a child in a child care program.
