Emergency Medical Services Workshops Coming to Your Community

The Nebraska Department of Health and Human Services' Emergency Medical Services Program offers ongoing training workshops across the state for emergency medical technicians, first responders, and the general public. The workshop schedule for **September** is listed below. For more information on the workshops offered please visit the DHHS EMS calendar web page by clicking [here](#). You may also click on the subscribe link at the top of the EMS workshop calendar web page to sign up for an email or a text message alert when the EMS workshop calendar is updated.

The free workshops are worth three continuing education hours unless noted otherwise.
