Nebraska Approved EMS Training Agencies

Commission on Accreditation of Allied Health Education Programs (CAAHEP) accreditation is required to begin a paramedic course after January 1, 2013. This accreditation follows the Committee on Accreditation of Education Programs for the Emergency Medical Services Professions (CoAEMSP). Training agencies that do not offer paramedic courses are not required to be CAAHEP/CoAEMSP accredited. The courses listed are those that the agency is authorized to provide; not all agencies offer all of these courses.
