Good Life. Great Mission.

DEPT. OF HEALTH AND HUMAN SERVICES

Pete Ricketts, Governor

March 19, 2020

Good Morning EMS Services,

I know many of you have had issues surrounding your PPE supplies. Local Public Health Departments have received some reserve supplies to distribute within their areas and this should include EMS. I would encourage you to make contact with your local Public Health Department if you have not already done so. The following link has a map that will show you which local health department your county includes and contact numbers.

Here is the link: <http://dhhs.ne.gov/CHPM%20Maps/LHD-EPISurveillance.pdf>

If you have any questions, comments, or concerns please continue to contact the Office of Emergency Health Systems or your Regional EMS specialist.

Thank your continued work and commitment. Please stay safe out there.

Thanks,

Tim
