**Serious injury**  is defined as a death of a child or any accident or injury to a child which requires hospitalization or treatment at a medical facility.

**Substantiated Child Abuse Cases**  are cases that have received final determination by Children and Family Services. Pending child abuse cases are not reflected in the numbers above.

**NOTE:**  For 2015 and 2016, data was not collected for License Exempt Child Care Homes and In-Home Child Care. Data will be collected moving forward. Years reported are reflective of Janury 1st through December 31st.
