Dear Camella:

Congratulations to your team on completion of your second round of PREA Audits. Attached is the Final Audit Reports for the Youth Rehabilitation and Treatment Centers in Kearney and Geneva. You operate excellent facilities. I know that you have worked diligently to achieve compliance with the Prison Rape Elimination Act (PREA) standards.

We were very impressed by your immediate action to correct anything brought to your attention. You understand completely that complying with the standards goes a long way in creating a safer environment for both the residents and the staff. Please post the final audits on your website as your final step in compliance.

It was a pleasure working with you and your team. I know this process is no easy task and you can be very proud of this accomplishment. Please know that you can continue to call me anytime if you have any PREA questions.

Sincerely,

Candace L. Snyder
Certified PREA Auditor
