	previous year report on drugs of choice did not contain that number of n/a. Why would that be?	of why not applicable N/A appears in reports.			
	2. Donna – Would like to know if there is a professional licensure list with specialties (such as trauma, refugee experience, language/cultural areas of expertise). Blaine indicated there is a UNMC report based on self-report of professionals with licenses.	Provide the website information to the UNMC report and a copy of the report at the next meeting.			
	3. Is there data/report on what schools are covering regarding co-occurring disorders in preparing individuals for licensure?	Explore what schools are covering			
	4. List from Kris Chiles in Public Health Professional Licensure regarding training and co-occurring disorders – who is doing the training?	Obtain list info from Kris Chiles on training.			
	5. The BH Foundation had a list of data needs. Jean Sassatelli and Vicki Maca have this list and can send to the group.	Provide members with the list of data needs developed by the BH Foundation.			
	6. Like to see trauma data again (was provided to TIN)	Provide an overview of trauma data.			
	7. Number of folks served in MH,SA, or both – this is provided by UNMC as a part of the URS tables for block grant reports.	Develop presentation of block grant data reports.			
	8. Do we have data for all folks, private pay, hospitalization data that can be accessed?	Explore			
	9. Adol/youth drugs of abuse for Medicaid/DBH/Public Health for individuals below 19.	Obtain adol/youth data for July meeting.
