| | <p>How are agencies using the drop down Transfer box?</p> <ul style="list-style-type: none"> • Do we have a definition of transfer • Are they using transfer to go from one program to another? • Are people failing in one program and moving to another. <p>County of Admission vs. County of Residence</p> <ul style="list-style-type: none"> • Need a better definition. • How are providers using this field • Are providers using the county the individual was living or the county the client was admitted. Ex: Client lived in Scottbluff but was admitted to Omaha hospital. <p>Continuing authorization for service when a client changes location or provider. Could authorization be transferred without review from one provider to a new provider without doing a clinical review?</p> | <p>Need ideas of how this is being used by next meeting.</p> <p>Need to have recommendations on how this field is used at next meeting.</p> <p>Different providers have different treatment goals and it may not match with the previous provider so for the authorization to move with the client may not be the best match.</p> | | | <p>January meeting discussion</p> <p>January meeting discussion</p> |
