In addition to the foregoing retention periods, all records shall be maintained until all issues related to an audit, litigation or other action are resolved to the satisfaction of DHHS. The Subrecipient shall maintain its accounting records in accordance with generally accepted accounting principles. DHHS reserves and hereby exercises the right to require the Subrecipient to submit required financial reports on the accrual basis of accounting. If the Subrecipient's records are not normally kept on the accrual basis, the Subrecipient is not required to convert its accounting system but shall develop and submit in a timely manner such accrual information through an analysis of the documentation on hand (such as accounts payable).
2. The Subrecipient shall provide DHHS any and all written communications received by the Subrecipient from an auditor related to Subrecipient's internal control over financial reporting requirements and communication with those charged with governance including those in compliance with or related to Statement of Auditing Standards (SAS) 112 *Communicating Internal Control related Matters Identified in an Audit* and SAS 114 *The Auditor's Communication with Those Charged With Governance*. The Subrecipient agrees to provide DHHS with a copy of all such written communications immediately upon receipt or instruct any auditor it employs to deliver copies of such written

communications to DHHS at the same time copies are delivered to the Subrecipient, in which case the Subrecipient agrees to verify that DHHS has received a copy.

3. The subrecipient shall immediately commence follow-up action on findings arising from audits or other forms of review. Follow-up action includes responding to those conducting such examinations with clear, complete views concerning the accuracy and appropriateness of the findings. If the finding is accepted, corrective action, such as repaying disallowed costs, making financial adjustments, or taking other actions should proceed and be completed as rapidly as possible. If the subrecipient disagrees, it should provide an explanation and specific reasons that demonstrate that the finding is not valid.
  4. In addition to, and in no way in limitation of any obligation in this subgrant, the Subrecipient shall be liable for audit exceptions, and shall return to DHHS all payments made under this subgrant for which an exception has been taken or which has been disallowed because of such an exception, upon demand from DHHS.
- B. AMENDMENT. This subgrant may be modified only by written amendment executed by both parties. No alteration or variation of the terms and conditions of this subgrant shall be valid unless made in writing and signed by the parties.

If DHHS, in good faith, has reason to believe that the Subrecipient does not intend to, is unable to, has refused to, or discontinues performing material obligations under this subgrant, DHHS may demand in writing that the Subrecipient give a written assurance of intent to perform. Failure by the Subrecipient to provide written assurance within the number of days specified in the demand may, at DHHS's option, be the basis for terminating this subgrant.
- F. BREACH OF SUBGRANT. DHHS may immediately terminate this subgrant and agreement, in whole or in part, if the Subrecipient fails to perform its obligations under the subgrant in a timely and proper manner. DHHS may withhold payments and provide a written notice of default to the Subrecipient, allow the Subrecipient to correct a failure or breach of subgrant within a period of thirty (30) days or longer at DHHS's discretion considering the gravity and nature of the default. Said notice shall be delivered by Certified Mail, Return Receipt Requested or in person with proof of delivery. Allowing the Subrecipient time to correct a failure or breach of this subgrant does not waive DHHS's right to immediately terminate the subgrant for the same or different subgrant breach which may occur at a different time. DHHS may, at its discretion, obtain any services required to complete this subgrant and hold the Subrecipient liable for any excess cost caused by Subrecipient's default. This provision shall not preclude the pursuit of other remedies for breach of subgrant as allowed by law.

- G. **CONFIDENTIALITY.** Any and all confidential or proprietary information gathered in the performance of this subgrant, either independently or through DHHS, shall be held in the strictest confidence and shall be released to no one other than DHHS without the prior written authorization of DHHS, provided that contrary subgrant provisions set forth herein shall be deemed to be authorized exceptions to this general confidentiality provision. This provision shall survive termination of this subgrant.

The Subrecipient shall immediately notify DHHS of any such instances encountered, so that other arrangements can be made to complete the work.

Upon such notice, all obligations of the affected party under this subgrant which are reasonably related to the Force Majeure Event shall be suspended, and the affected party shall do everything reasonably necessary to resume performance as soon as possible. Labor disputes with the impacted party's own employees will not be considered a Force Majeure Event and will not suspend performance requirements under this subgrant.
- Q. FUNDING AVAILABILITY. DHHS may terminate the subgrant, in whole or in part, in the event funding is no longer available. Should funds not be appropriated, DHHS may terminate the award with respect to those payments for the fiscal years for which such funds are not appropriated. DHHS shall give the Subrecipient written notice thirty (30) days prior to the effective date of any termination. The Subrecipient shall be entitled to receive just and equitable compensation for any authorized work which has been satisfactorily completed as of the termination date.
