All records shall be maintained in accordance with generally accepted business practices.

   2. The Contractor shall provide DHHS any and all written communications received by the Contractor from an auditor related to Contractor’s internal control over financial reporting requirements and communication with those charged with governance including those in compliance with or related to Statement of Auditing Standards (SAS) 112 Communicating Internal Control related Matters Identified in an Audit and SAS 114 The Auditor’s Communication with Those Charged With Governance. The Contractor agrees to provide DHHS with a copy of all such written communications immediately upon receipt or instruct any auditor it employs to deliver copies of such written communications to DHHS at the same time copies are delivered to the Contractor, in which case the Contractor agrees to verify that DHHS has received a copy.
3. The Contractor shall immediately correct any material weakness or condition reported to DHHS in the course of an audit and notify DHHS that the corrections have been made.

4. In addition to, and in no way in limitation of any obligation in this contract, the Contractor shall be liable for audit exceptions, and shall return to DHHS all payments made under this contract for which an exception has been taken or which has been disallowed because of such an exception, upon demand from DHHS.

B. **AMENDMENT.** This contract may be modified only by written amendment, executed by both parties. No alteration or variation of the terms and conditions of this contract shall be valid unless made in writing and signed by the parties.

REV. STAT. §§ 48-1101 to 48-1125. Violation of said statutes and regulations will constitute a material breach of contract. The Contractor shall insert this provision in all subcontracts.

D. **ASSIGNMENT.** The Contractor shall not assign or transfer any interest, rights, or duties under this contract to any person, firm, or corporation without prior written consent of DHHS. In the absence of such written consent, any assignment or attempt to assign shall constitute a breach of this contract.

Failure by the Contractor to provide written assurance within the number of days specified in the demand may, at DHHS’s option, be the basis for terminating this contract.

F. **BREACH OF CONTRACT.** DHHS may terminate the contract, in whole or in part, if the Contractor fails to perform its obligations under the contract in a timely and proper manner. DHHS may, by providing a written notice of default to the Contractor, allow the Contractor to cure a failure or breach of contract within a period of thirty (30) days or longer at DHHS’s discretion considering the gravity and nature of the default. Said notice shall be delivered by Certified Mail, Return Receipt Requested or in person with proof of delivery. Allowing the Contractor time to cure a failure or breach of contract does not waive DHHS’s right to immediately terminate the contract for the same or different contract breach which may occur at a different time. DHHS may, at its discretion, contract for any services required to complete this contract and hold the Contractor liable for any excess cost caused by Contractor’s default. This provision shall not preclude the pursuit of other remedies for breach of contract as allowed by law.

The Contractor shall immediately notify DHHS of any such instances encountered so that other arrangements can be made to complete the work.

A Force Majeure Event shall not constitute a breach of this contract. The party so affected shall immediately give notice to the other party of the Force Majeure Event. Upon such notice, all obligations of the affected party under this contract which are reasonably related to the Force Majeure Event shall be suspended, and the affected party shall do everything reasonably necessary to resume performance as soon as possible. Labor disputes with the impacted party's own
employees will not be considered a Force Majeure Event and will not suspend performance requirements under this contract.

The Contractor shall be entitled to receive just and equitable compensation for any authorized work which has been satisfactorily completed as of the termination date. In no event shall the Contractor be paid for a loss of anticipated profit.

In the event such standards change during the Contractor’s performance, the State may create an amendment to the Contract to request that Contract comply with the changed standard at a cost mutually acceptable to the parties.

V. **NEW EMPLOYEE WORK ELIGIBILITY STATUS.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.
