III. STATEMENT OF WORK

A. The Subrecipient shall:

1. Independent Living Services Requirement

The Subrecipient will administer the Independent Living services for youth expected to age out of the foster care system and youth emancipated from the foster care system up to their twenty-first birthday for the DHHS Northern, Central and Western Service Areas. These services will be provided to maintain self-sufficiency as youth transition out of DHHS' foster care system. These services will be family focused, community based, and culturally competent.

2. Preparation for Adult Living Services Requirement

The Subrecipient will provide preparation, transitional and independent living services to support foster youth expected to age out of the foster care system and youth emancipated from the foster care system up to their twenty-first birthday for DHHS Northern, Central and Western Service Areas. The Subrecipient will deliver services, through training that supports preparation, transitional, and independent living needs for youth expected to age out of the DHHS foster care system and youth emancipated from the DHHS foster care system up to their twenty-first birthday. These services will be provided to teach, encourage, and maintain self-sufficiency as youth transition out of the DHHS foster care system. These services will be family and youth focused, community based, culturally competent, and developmentally appropriate. These services are defined as:

- a. Preparation: a process to assess and assist the youth in preparing for self-sufficient adulthood, obtainable through formal and informal modeling and teaching of skills, recognizing values and establishing achievable goals.
- b. Transitional: the process to assess, support, practice and monitor the youth's ability to successfully apply learned skills in a semi-supervised scatter site or congregate living arrangement.
- c. Independence: the act of applying learned skills and demonstrating self-sufficiency with the community and having connection to a natural support network.

3. Transitional Living Services for youth through PALS

- a. Transitional Living Services are available to youth who are:

- 1) Within six months of transition from a foster home or other residential service to independence and have no other supportive services or,
- 2) In group care or agency based treatment home and within 30-60 days of being

placed in an independent living situation. Youth accepted for Transitional Living Services will be age 17 or older unless under well-documented circumstances whereby a youth age 16 may be accepted for services. Under such circumstances the youth's situation will be reviewed by the DHHS' Service Area Administrator or their designee. The Subrecipient will accept such referrals on a 16 year old only when the referral has the signed authorization and agreement by the Service Area Administrator or their designee.

b. Transitional Living Service Requirements

- 1) Prior to accepting a referral for Transitional Living Service, the Subrecipient will explore that all other available community resources offering transitional living services are unable to serve the youth in a timely manner. The Subrecipient will not duplicate effort of another transitional living support service and therefore will not accept a referral for service delivery when another transitional living program is engaged with a youth. The only exception is in consultation with another service provider for successful transfer of supportive services to a youth from one service provider to the other.
- 2) If there are several youth referred for a limited number of current openings for services with the Subrecipient, then those youth in Independent Living will take priority.
- 3) The Subrecipient will keep a record of names, dates of referral and denial, case manager involved, and identified service alternatives for all youth that the Subrecipient was unable to serve due to limited resources. When the Subrecipient is unable to serve youth referred, the Subrecipient will play a consultative role in identifying alternatives for supportive services with the case manager. The Subrecipient's information about youth that they were unable to serve will be used to determine what services were then provided to these youth through other resources.
- 4) Accept referrals on state ward youth, male and female, including pregnant and parenting teens, for immediate transition to or support with independent living.
- 5) The Subrecipient will also accept self-referrals from youth who are former foster youth, but were discharged from the state's custody on or after their 18th birthday.

Assessment and plans should be current within 12 months or more frequently as needed. A copy of the Independent Living Plan will be provided to DHHS.
- 7) Assist youth in locating and leasing safe, secure, affordable living quarters.
- 8) Provide contacts to include face-to-face life skills training and consultation with the youth in such areas as meal preparation and nutrition, daily scheduling, time management, home management, financial management, accessing medical care, utilizing transportation systems, and building interpersonal and problem solving skills.
- 9) Assist youth in completing and advancing their education.
- 10) Provide 24-hour crisis support, seven days a week through development of a crisis plan with the youth and their team and/or staff provision of this service directly to the youth.
- 11) Provide training and support, during day, evening, and weekend hours.
- 12) For youth that are under the care and custody of the DHHS, report to a case manager any incidents of behavior of a violent or threatening nature that would create a risk to the safety of the youth or the public.
- 13) Manage the implementation of the youth's Independent Living Plan.

- 14) Submit written monthly reports to the DHHS for any youth under the care and custody of the DHHS. These reports will include a description of the goals, activities, progress made, achievements, and next steps.
 - 15) Seek out and work towards developing with the youth, positive adult relationships such that each youth leaving the program can at a minimum identify one adult to whom they feel a sense of connection that is supportive and healthy. The Subrecipient will seek out informal relationships and mentoring relationships, which can extend beyond the length of time the youth is involved in transitional or independent living services.
 - 16) Coordinate with other service providers and other individuals who will provide "wraparound" support to youth as directed in each individual service plan.
 - 17) Work with neighborhoods, landlords, employers, and educators, in collaboration to develop a "community of support" for youth. The Subrecipient will work with youth on developing a sense of community belonging and responsibility.
 - 18) Assist youth in remaining in their apartment, with the belongings they have acquired over the course of the program, as they graduate from the program.
 - 19) Move youth through the service at a rate appropriate to each youth.
 - 20) Provide transportation for the youth when providing experiential learning and training to the youth. Assist the youth in obtaining transportation by other means for meeting their ongoing needs. Transportation may be authorized by the DHHS for youth who are in DHHS' custody or young adults who would otherwise be eligible for such services, to meet some of their basic needs such as doctor or dental appointments, etc.
 - 21) Assist youth in securing and retaining appropriate employment.
 - 22) Support Nebraska's need to report data for the National Youth in Transition Database.
 - 23) Hire, train, screen, supervise, support, and monitor qualified personnel, on an on-going basis to assist DHHS staff, Care Providers, and participating youth in carrying out PALS services.
 - 24) Be responsible for any and all costs associated with billings, attendance at team meetings, and other related administrative costs.

The Subrecipient shall maintain its accounting records in accordance with generally accepted accounting principles. DHHS reserves and hereby exercises the right to require the Subrecipient to submit required financial reports on the accrual basis of accounting. If the Subrecipient's records are not normally kept on the accrual basis, the Subrecipient is not required to convert its accounting system but shall develop and submit in a timely manner such accrual information through an analysis of the documentation on hand (such as accounts payable).
2. The Subrecipient shall provide DHHS any and all written communications received by the Subrecipient from an auditor related to Subrecipient's internal control over financial reporting requirements and communication with those charged with governance including those in compliance with or related to Statement of Auditing Standards (SAS) 112 *Communicating Internal Control related Matters Identified in an Audit* and SAS 114 *The Auditor's Communication with Those Charged With Governance*. The Subrecipient agrees to provide DHHS with a copy of all such written communications immediately upon receipt or instruct any auditor it employs to deliver copies of such written communications to DHHS at the same time copies are delivered to the Subrecipient, in which case the Subrecipient agrees to verify that DHHS has received a copy.
3. The subrecipient shall immediately commence follow-up action on findings arising from audits or other forms of review. Follow-up action includes responding to those conducting such examinations with clear, complete views concerning the accuracy and

appropriateness of the findings. If the finding is accepted, corrective action, such as repaying disallowed costs, making financial adjustments, or taking other actions should proceed and be completed as rapidly as possible. If the subrecipient disagrees, it should provide an explanation and specific reasons that demonstrate that the finding is not valid.

4. In addition to, and in no way in limitation of any obligation in this subgrant, the Subrecipient shall be liable for audit exceptions, and shall return to DHHS all payments made under this subgrant for which an exception has been taken or which has been disallowed because of such an exception, upon demand from DHHS.
- B. AMENDMENT. This subgrant may be modified only by written amendment executed by both parties. No alteration or variation of the terms and conditions of this subgrant shall be valid unless made in writing and signed by the parties.
- C. ANTI-DISCRIMINATION. The Subrecipient shall insert this provision into all subgrants and subcontracts.
- D. ASSIGNMENT. The Subrecipient shall not assign or transfer any interest, rights, or duties under this subgrant to any person, firm, or corporation without prior written consent of DHHS. In the absence of such written consent, any assignment or attempt to assign shall constitute a breach of this subgrant.
- E. ASSURANCE. If DHHS, in good faith, has reason to believe that the Subrecipient does not intend to, is unable to, has refused to, or discontinues performing material obligations under this subgrant, DHHS may demand in writing that the Subrecipient give a written assurance of intent to perform. Failure by the Subrecipient to provide written assurance within the number of days specified in the demand may, at DHHS's option, be the basis for terminating this subgrant.
- F. BREACH OF SUBGRANT. DHHS may immediately terminate this subgrant and agreement, in whole or in part, if the Subrecipient fails to perform its obligations under the subgrant in a timely and proper manner. DHHS may withhold payments and provide a written notice of default to the Subrecipient, allow the Subrecipient to correct a failure or breach of subgrant within a period of thirty (30) days or longer at DHHS's discretion considering the gravity and nature of the default. Said notice shall be delivered by Certified Mail, Return Receipt Requested or in person with proof of delivery. Allowing the Subrecipient time to correct a failure or breach of this subgrant does not waive DHHS's right to immediately terminate the subgrant for the same or different subgrant breach which may occur at a different time. DHHS may, at its discretion, obtain any services required to complete this subgrant and hold the Subrecipient liable for any excess cost caused by Subrecipient's default. This provision shall not preclude the pursuit of other remedies for breach of subgrant as allowed by law.
- G. CONFIDENTIALITY. Any and all confidential or proprietary information gathered in the performance of this subgrant, either independently or through DHHS, shall be held in the strictest confidence and shall be released to no one other than DHHS without the prior written authorization of DHHS, provided that contrary subgrant provisions set forth herein shall be deemed to be authorized exceptions to this general confidentiality provision. As

required by United States Department of Health and Human Services (hereinafter "HHS") appropriations acts, all HHS recipients and DHHS Subrecipients must acknowledge Federal and DHHS funding when issuing statements, press releases, requests for proposals, bid invitations, and other documents describing projects or programs funded in whole or in part with Federal and DHHS funds.
