All records shall be maintained in accordance with generally accepted business practices.
2. The Contractor shall provide DHHS any and all written communications received by the Contractor from an auditor related to Contractor's internal control over financial reporting requirements and communication with those charged with governance including those in compliance with or related to Statement of Auditing Standards (SAS) 112 *Communicating Internal Control related Matters Identified in an Audit* and SAS 114 *The Auditor's Communication with Those Charged With Governance*. The Contractor agrees to provide DHHS with a copy of all such written communications immediately upon receipt or instruct any auditor it employs to deliver copies of such written communications to DHHS at the same time copies are delivered to the Contractor, in which case the Contractor agrees to verify that DHHS has received a copy.
3. The Contractor shall immediately correct any material weakness or condition reported to DHHS in the course of an audit and notify DHHS that the corrections have been made.
4. In addition to, and in no way in limitation of any obligation in this contract, the Contractor shall be liable for audit exceptions, and shall return to DHHS all payments made under this contract for which an exception has been taken or which has been disallowed because of such an exception, upon demand from DHHS.

In the absence of such written consent, any assignment or attempt to assign shall constitute a breach of this contract.
- E. ASSURANCE. If DHHS, in good faith, has reason to believe that the Contractor does not intend to, is unable to, or has refused to perform or continue to perform all material obligations under this contract, DHHS may demand in writing that the Contractor give a written assurance of intent to perform. Failure by the Contractor to provide written assurance within the number of days specified in the demand may, at DHHS's option, be the basis for terminating this contract.
- F. BREACH OF CONTRACT. DHHS may terminate the contract, in whole or in part, if the Contractor fails to perform its obligations under the contract in a timely and proper manner. DHHS may, by providing a written notice of default to the Contractor, allow the Contractor to cure a failure or breach of contract within a period of thirty (30) days or longer at DHHS's discretion considering the gravity and nature of the default. Said notice shall be delivered by Certified Mail, Return Receipt Requested or in person with proof of delivery.
