Subrecipient shall maintain all records for three (3) years from the date of final payment, except records that fall under the provisions of the Health Insurance Portability and Accountability Act (HIPAA) shall be maintained for six (6) full years from the date of final payment. In addition to the foregoing retention periods, all records shall be maintained until all issues related to an audit, litigation or other action are resolved to the satisfaction of DHHS. The Subrecipient shall maintain its accounting records in accordance with generally accepted accounting principles. DHHS reserves and hereby exercises the right to require the Subrecipient to submit required financial reports on the accrual basis of accounting. If the Subrecipient's records are not normally kept on the accrual basis, the Subrecipient is not required to convert its accounting system but shall develop and submit in a timely manner such accrual information through an analysis of the documentation on hand (such as accounts payable).
 2. The Subrecipient shall provide DHHS any and all written communications received by the Subrecipient from an auditor related to Subrecipient's internal control over financial reporting requirements and communication with those charged with governance including those in compliance with or related to Statement of Auditing Standards (SAS) 112 *Communicating Internal Control related Matters Identified in an Audit* and SAS 114 *The Auditor's Communication with Those Charged With Governance*. The Subrecipient agrees to provide DHHS with a copy of all such written communications immediately upon receipt or instruct any auditor it employs to deliver copies of such written communications to DHHS at the same time copies are delivered to the Subrecipient, in which case the Subrecipient agrees to verify that DHHS has received a copy.
 3. The subrecipient shall immediately commence follow-up action on findings arising from audits or other forms of review. Follow-up action includes responding to those conducting such examinations with clear, complete views concerning the accuracy and appropriateness of the findings. If the finding is accepted, corrective action, such as repaying disallowed costs, making financial adjustments, or taking other actions should proceed and be completed as rapidly as possible. If the subrecipient disagrees, it should provide an explanation and specific reasons that demonstrate that the finding is not valid.
 4. In addition to, and in no way in limitation of any obligation in this subgrant, the Subrecipient shall be liable for audit exceptions, and shall return to DHHS all payments made under this subgrant for which an exception has been taken or which has been disallowed because of such an exception, upon demand from DHHS.
- B. AMENDMENT. This subgrant may be modified only by written amendment executed by both parties. No alteration or variation of the terms and conditions of this subgrant shall be valid unless made in writing and signed by the parties.

The Subrecipient shall insert this provision into all subgrants and subcontracts.

- D. ASSIGNMENT. The Subrecipient shall not assign or transfer any interest, rights, or duties under this subgrant to any person, firm, or corporation without prior written consent of DHHS. - E. ASSURANCE. If DHHS, in good faith, has reason to believe that the Subrecipient does not intend to, is unable to, has refused to, or discontinues performing material obligations under this subgrant, DHHS may demand in writing that the Subrecipient give a written assurance of intent to perform. Failure by the Subrecipient to provide written assurance within the number of days specified in the demand may, at DHHS's option, be the basis for terminating this subgrant.
- F. BREACH OF SUBGRANT. DHHS may immediately terminate this subgrant and agreement, in whole or in part, if the Subrecipient fails to perform its obligations under the subgrant in a timely and proper manner. DHHS may withhold payments and provide a written notice of default to the Subrecipient, allow the Subrecipient to correct a failure or breach of subgrant within a period of thirty (30) days or longer at DHHS's discretion considering the gravity and nature of the default. Said notice shall be delivered by Certified Mail, Return Receipt Requested or in person with proof of delivery. Allowing the Subrecipient time to correct a failure or breach of this subgrant does not waive DHHS's right to immediately terminate the subgrant for the same or different subgrant breach which may occur at a different time. DHHS may, at its discretion, obtain any services required to complete this subgrant and hold the Subrecipient liable for any excess cost caused by Subrecipient's default. This provision shall not preclude the pursuit of other remedies for breach of subgrant as allowed by law.
- G. CONFIDENTIALITY. Any and all confidential or proprietary information gathered in the performance of this subgrant, either independently or through DHHS, shall be held in the strictest confidence and shall be released to no one other than DHHS without the prior written authorization of DHHS, provided that contrary subgrant provisions set forth herein shall be deemed to be authorized exceptions to this general confidentiality provision. Recipients are required to state: (1) the percentage and dollar amounts of the total program or project costs financed with Federal and DHHS funds; and (2) the percentage and dollar amount of the total costs financed by nongovernmental sources. This provision shall survive termination of this subgrant.

The Subrecipient shall immediately notify DHHS of any such instances encountered, so that other arrangements can be made to complete the work.

- O. FORCE MAJEURE. Neither party shall be liable for any costs or damages resulting from its inability to perform any of its obligations under this subgrant due to a natural disaster, or other similar event outside the control and not the fault of the affected party ("Force Majeure Event"). A Force Majeure Event shall not constitute a breach of this subgrant. The party so affected shall immediately give notice to the other party of the Force Majeure Event. Upon such notice, all obligations of the affected party under this subgrant which are reasonably related to the Force Majeure Event shall be suspended, and the affected party shall do everything reasonably necessary to resume performance as soon as possible. Labor disputes with the impacted party's own employees will not be considered a Force Majeure Event and will not suspend performance requirements under this subgrant.
- P. FUNDING AVAILABILITY. DHHS may terminate the subgrant, in whole or in part, in the event funding is no longer available. Should funds not be appropriated, DHHS may

terminate the award with respect to those payments for the fiscal years for which such funds are not appropriated. DHHS shall give the Subrecipient written notice thirty (30) days prior to the effective date of any termination. The Subrecipient shall be entitled to receive just and equitable compensation for any authorized work which has been satisfactorily completed as of the termination date. In no event, shall the Subrecipient be paid for a loss of anticipated profit.

Q. GRANT CLOSE-OUT. Upon completion or notice of termination of this grant, the following procedures shall apply for close-out of the subgrant:

5. The Subrecipient shall assist and cooperate in the orderly transition and transfer of subgrant activities and operations with the objective of preventing disruption of services.
6. Close-out of this subgrant shall not affect the retention period for, or state or federal rights of access to, Subrecipient records, or Subrecipient's responsibilities regarding property or with respect to any program income for which Subrecipient is still accountable under this subgrant. If no final audit is conducted prior to close-out, DHHS reserves the right to disallow and recover an appropriate amount after fully considering any recommended disallowances resulting from an audit which may be conducted at a later time.

Addendum to original budget (grant form) and budget narrative

Travel-

Original submission- Travel-I have placed a total amount of \$5600.00 in this area. I have placed \$400.00 for mileage to allow for additional community providers to attend day training in Lincoln for PIWI for the second year of the grant. I have added \$2,000.00 to meet the additional training, mentoring and coaching as required by the grant under scope of practice. I have allocated \$200.00 for reimbursement on meals and parking that will be accrued during training days. I have allocated an amount of \$3,000.00 for three professionals that have completed PIWI training during the first year of the grant to attend a train the trainer course. Depending on the location of this training and the length of the training, this line item may need to be adjusted, as I did not count in airfare.

Change to line item-Kathy brought to our attention that there would be no costs for the PWIW train the trainers training on November 6th, 2012. Therefore we adjusted the amount from \$3000.00 to \$308.00 making a change in the total cost of this line item to a total of \$2908.00

Outreach-

Original submission- We will be adding a cost in this line item for year two of the grant, as we feel we need to have funds to support community awareness, referrals and process to obtain services. We have included \$400.00 for community trainings and supports to enhance PCIT and PWIW support services. We have also placed a registration cost for three to attend a "train the trainers" course in the amount of \$2500.00, again based on what decisions are made for location expense. Material to train others needs to be part of our collaboration to move us forward with meeting the needs for our community youth and families.

Change in line item-We have made a decision to add a \$1000.00 to support a way to pay the "train the trainers" for providing the training. We have also made a change to add \$1500.00 for family incentives to be used to assist the families and to use as an incentive to participate.

Contract/consultant-

Kathy had made a suggestion that we use an evaluator to assist us with data collection. We have kept the amount the same but the verbiage needed to reflect an evaluator. We will be using either Joyce or Gay.

Other-

Original submission- We have a total of \$10,598.48. We have registration fees for PIWI training at \$2,000.00. We have placed \$5,000.00 to support community impact and work to be offered

in PIWI and PCIT for community partners. United Way has approved \$10,000 to support and enhance the workings of providing these services. I have placed \$360.00 for additional supplies needed to meet requirements for PCIT. I have added \$3,000.00 for additional pay to support our professionals in meeting the needs of the grant requirements. I have also kept additional supplies and kits for the additional PIWI trainers we will add to our community in the amount of \$238.48.

Change in line item-Kathy gave us some additional feedback on this section and we have moved funds around in this area to support successful outcomes. We removed the registration for PIWI training (as we will be providing that locally with our "train the Trainers." We have taken out the \$2000.00 that was placed in this section. We have placed \$10,000.00 in this area to pay for families and children (non-court families) to receive this service. We had under estimated the cost of needed reports for PCIT practitioners. We have also added \$1052.00 for day care assistance to be paid out to providers, parents and support staff to provide this service while parents and day cares are receiving the needed training.

Total grant for one year (2nd year of funding \$30,000.00)
