3. The Contractor shall immediately correct any material weakness or condition reported to DHHS in the course of an audit and notify DHHS that the corrections have been made.
 4. In addition to, and in no way in limitation of any obligation in this contract, the Contractor shall be liable for audit exceptions, and shall return to DHHS all payments made under this contract for which an exception has been taken or which has been disallowed because of such an exception, upon demand from DHHS.

This provision shall not preclude the pursuit of other remedies for breach of contract as allowed by law.

Upon such notice, all obligations of the affected party under this contract which are reasonably related to the Force Majeure Event shall be suspended, and the affected party shall do everything reasonably necessary to resume performance as soon as possible.
