A. ACCESS TO RECORDS AND AUDIT RESPONSIBILITIES.

1. All Subrecipient books, records, and documents regardless of physical form, including data maintained in computer files or on magnetic, optical or other media, relating to work performed or monies received under this subgrant shall be subject to audit at any reasonable time upon the provision of reasonable notice by DHHS. Subrecipient shall maintain all records for three (3) years from the date of final payment, except records that fall under the provisions of the Health Insurance Portability and Accountability Act (HIPAA) shall be maintained for six (6) full years from the date of final payment. In addition to the foregoing retention periods, all records shall be maintained until all issues related to an audit, litigation or other action are resolved to the satisfaction of DHHS. The Subrecipient shall maintain its accounting records in accordance with generally accepted accounting principles. DHHS reserves and hereby exercises the right to require the Subrecipient to submit required financial reports on the accrual basis of accounting. If the Subrecipient's records are not normally kept on the accrual basis, the Subrecipient is not required to convert its accounting system but shall develop and submit in a timely manner such accrual information through an analysis of the documentation on hand (such as accounts payable).
2. The Subrecipient shall provide DHHS any and all written communications received by the Subrecipient from an auditor related to Subrecipient's internal control over financial reporting requirements and communication with those charged with governance including those in compliance with or related to Statement of Auditing Standards (SAS) 112 *Communicating Internal Control related Matters Identified in an Audit* and SAS 114 *The Auditor's Communication with Those Charged With Governance*. The Subrecipient agrees to provide DHHS with a copy of all such written communications immediately upon receipt or instruct any auditor it employs to deliver copies of such written communications to DHHS at the same time copies are delivered to the Subrecipient, in which case the Subrecipient agrees to verify that DHHS has received a copy.
3. The subrecipient shall immediately commence follow-up action on findings arising from audits or other forms of review. Follow-up action includes responding to those conducting such examinations with clear, complete views concerning the accuracy and appropriateness of the findings. If the finding is accepted, corrective action, such as repaying disallowed costs, making financial adjustments, or taking other actions should proceed and be completed as rapidly as possible. If the subrecipient disagrees, it should provide an explanation and specific reasons that demonstrate that the finding is not valid.
4. In addition to, and in no way in limitation of any obligation in this subgrant, the Subrecipient shall be liable for audit exceptions, and shall return to DHHS all payments made under this subgrant for which an exception has been taken or which has been disallowed because of such an exception, upon demand from DHHS.

B. AMENDMENT. This subgrant may be modified only by written amendment executed by both parties. No alteration or variation of the terms and conditions of this subgrant shall be valid unless made in writing and signed by the parties.

C. ANTI-DISCRIMINATION. Fair Employment Practice Act, NEB. REV. STAT. §§ 48-1101 to 48-1125. Violation of said statutes and regulations will constitute a material breach of this subgrant. The Subrecipient shall insert this provision into all subgrants and subcontracts.

- D. ASSIGNMENT. The Subrecipient shall not assign or transfer any interest, rights, or duties under this subgrant to any person, firm, or corporation without prior written consent of DHHS. In the absence of such written consent, any assignment or attempt to assign shall constitute a breach of this subgrant.
- E. ASSURANCE. If DHHS, in good faith, has reason to believe that the Subrecipient does not intend to, is unable to, has refused to, or discontinues performing material obligations under this subgrant, DHHS may demand in writing that the Subrecipient give a written assurance of intent to perform. Failure by the Subrecipient to provide written assurance within the number of days specified in the demand may, at DHHS's option, be the basis for terminating this subgrant.
- F. BREACH OF SUBGRANT. DHHS may immediately terminate this subgrant and agreement, in whole or in part, if the Subrecipient fails to perform its obligations under the subgrant in a timely and proper manner. DHHS may withhold payments and provide a written notice of default to the Subrecipient, allow the Subrecipient to correct a failure or breach of subgrant within a period of thirty (30) days or longer at DHHS's discretion considering the gravity and nature of the default. Said notice shall be delivered by Certified Mail, Return Receipt Requested or in person with proof of delivery. Allowing the Subrecipient time to correct a failure or breach of this subgrant does not waive DHHS's right to immediately terminate the subgrant for the same or different subgrant breach which may occur at a different time. DHHS may, at its discretion, obtain any services required to complete this subgrant and hold the Subrecipient liable for any excess cost caused by Subrecipient's default. This provision shall not preclude the pursuit of other remedies for breach of subgrant as allowed by law.
- G. CONFIDENTIALITY. Any and all confidential or proprietary information gathered in the performance of this subgrant, either independently or through DHHS, shall be held in the strictest confidence and shall be released to no one other than DHHS without the prior written authorization of DHHS, provided that contrary subgrant provisions set forth herein shall be deemed to be authorized exceptions to this general confidentiality provision. As required by United States Department of Health and Human Services (hereinafter "HHS") appropriations acts, all HHS recipients and DHHS Subrecipients must acknowledge Federal and DHHS funding when issuing statements, press releases, requests for proposals, bid invitations, and other documents describing projects or programs funded in whole or in part with Federal and DHHS funds. Recipients are required to state: (1) the percentage and dollar amounts of the total program or project costs financed with Federal and DHHS funds; and (2) the percentage and dollar amount of the total costs financed by nongovernmental sources. This provision shall survive termination of this subgrant.
- H. CONFLICTS OF INTEREST. In the performance of this subgrant, the Subrecipient shall avoid all conflicts of interest and all appearances of conflicts of interest. The Subrecipient shall immediately notify DHHS of any such instances encountered, so that other arrangements can be made to complete the work.

The Subrecipient shall follow the applicable cost principles set forth in OMB Circular A-87 for State, Local and Indian Tribe Governments; A-21 for Colleges and Universities; or A-122 for Non-Profit Organizations. Audits must be prepared and issued by an independent certified public accountant licensed to practice. A copy of the annual audit is to be made electronically available or sent to: Nebraska Department of Health and Human Services, Financial Services, P.O. Box 95026, Lincoln, NE 68509-5026.

DHHS and any federal granting authority hereby reserve a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, and to authorize others to use the copyrightable material for federal or state government purposes. This provision shall survive termination of this subgrant.
- K. DEBARMENT, SUSPENSION OR DECLARED INELIGIBLE. The Subrecipient certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
- L. DOCUMENTS INCORPORATED BY REFERENCE. All references in this subgrant to laws, rules, regulations, guidelines, directives, and attachments which set forth standards and procedures to be followed by the Subrecipient in discharging its obligations under this subgrant shall be deemed incorporated by reference and made a part of this subgrant with the same force and effect as if set forth in full text, herein.

- O. FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT REPORTING. The Subrecipient shall complete the Subrecipient Reporting Worksheet, Attachment 2, sections B and C. The Subrecipient certifies the information is complete, true and accurate.
- P. FORCE MAJEURE. Neither party shall be liable for any costs or damages resulting from its inability to perform any of its obligations under this subgrant due to a natural disaster, or other similar event outside the control and not the fault of the affected party ("Force Majeure Event"). A Force Majeure Event shall not constitute a breach of this subgrant. The party so affected shall immediately give notice to the other party of the Force Majeure Event. Upon such notice, all obligations of the affected party under this subgrant which are reasonably related to the Force Majeure Event shall be suspended, and the affected party shall do everything reasonably necessary to resume performance as soon as possible. Labor

disputes with the impacted party's own employees will not be considered a Force Majeure Event and will not suspend performance requirements under this subgrant.

- Q. FUNDING AVAILABILITY. DHHS may terminate the subgrant, in whole or in part, in the event funding is no longer available. Should funds not be appropriated, DHHS may terminate the award with respect to those payments for the fiscal years for which such funds are not appropriated. DHHS shall give the Subrecipient written notice thirty (30) days prior to the effective date of any termination. The Subrecipient shall be entitled to receive just and equitable compensation for any authorized work which has been satisfactorily completed as of the termination date. In no event, shall the Subrecipient be paid for a loss of anticipated profit.
- R. GRANT CLOSE-OUT. Upon completion or notice of termination of this grant, the following procedures shall apply for close-out of the subgrant:
1. The Subrecipient will not incur new obligations after the termination or completion of the subgrant, and shall cancel as many outstanding obligations as possible.  2. Subrecipient shall immediately return to DHHS any unobligated balance of cash advanced or shall manage such balance in accordance with DHHS instructions.
 3. Within a maximum of 90 days following the date of expiration or completion, Subrecipient shall submit all financial, performance, and related reports required by the Subrecipient Reporting Requirements. DHHS reserves the right to extend the due date for any report and may waive, in writing, any report it considers to be unnecessary.
 4. DHHS shall make any necessary adjustments upward or downward in the federal share of costs.
 5. The Subrecipient shall assist and cooperate in the orderly transition and transfer of subgrant activities and operations with the objective of preventing disruption of services.
 6. Close-out of this subgrant shall not affect the retention period for, or state or federal rights of access to, Subrecipient records, or Subrecipient's responsibilities regarding property or with respect to any program income for which Subrecipient is still accountable under this subgrant. If no final audit is conducted prior to close-out, DHHS reserves the right to disallow and recover an appropriate amount after fully considering any recommended disallowances resulting from an audit which may be conducted at a later time.
- S. GOVERNING LAW. The award shall be governed in all respects by the laws and statutes of the State of Nebraska. Any legal proceedings against DHHS or the State of Nebraska regarding this award shall be brought in Nebraska administrative or judicial forums as defined by Nebraska State law. damages, liability, actions, causes of action, losses, judgments, costs, and expenses of every nature, including investigation costs and expenses, settlement costs, and attorney fees and expenses ("the claims"), sustained or asserted against the State of Nebraska, arising out of, resulting from, or attributable to the willful misconduct, negligence, error, or omission of the Subrecipient, its employees, consultants, representatives, and agents, except to the extent such Subrecipient's liability is attenuated by any action of the State of Nebraska which directly and proximately contributed to the claims.

2. DHHS's liability is limited to the extent provided by the Nebraska Tort Claims Act, the Nebraska Contract Claims Act, the Nebraska Miscellaneous Claims Act, and any other applicable provisions of law. DHHS does not assume liability for the action of its Subrecipients.

U. INDEPENDENT ENTITY. The Subrecipient is an Independent Entity and neither it nor any of its employees shall, for any purpose, be deemed employees of DHHS. The Subrecipient shall employ and direct such personnel, as it requires, to perform its obligations under this subgrant, exercise full authority over its personnel, and comply with all workers' compensation, employer's liability and other federal, state, county, and municipal laws, ordinances, rules and regulations required of an employer providing services as contemplated by this subgrant.
