## WSA 2nd/3rd Round - Safety Assessment Comparison Reviews - Safety Evaluation

■ Round 2 (n=15)  
■ Round 3 (n=15)

Chart 5

## WSA 2nd/3rd Round - Safety Assessment Comparison Reviews - Safety Plans

Round 2- 2 assessments identified impending danger and 2 safety plans were established.  
 Round 3- 6 identified impending danger and 6 safety plans were established.

Note: *These questions use a reverse scale (LOWER NUMBER IS BETTER) as we want the workers to have used the correct safety plan.*
