In addition to the foregoing retention periods, all records shall be maintained until all issues related to an audit, litigation or other action are resolved to the satisfaction of DHHS. The Subrecipient shall maintain its accounting records in accordance with generally accepted accounting principles. DHHS reserves and hereby exercises the right to require the Subrecipient to submit required financial reports on the accrual basis of accounting. If the Subrecipient's records are not normally kept on the accrual basis, the Subrecipient is not required to convert its accounting system but shall develop and submit in a timely manner such accrual information through an analysis of the documentation on hand (such as accounts payable).

2. The Subrecipient shall provide DHHS any and all written communications received by the Subrecipient from an auditor related to Subrecipient's internal control over financial reporting requirements and communication with those charged with governance including those in compliance with or related to Statement of Auditing Standards (SAS) 112 *Communicating Internal Control related Matters Identified in an Audit* and SAS 114 *The Auditor's Communication with Those Charged With Governance*. The Subrecipient agrees to provide DHHS with a copy of all such written communications immediately upon receipt or instruct any auditor it employs to deliver copies of such written communications to DHHS at the same time copies are delivered to the Subrecipient, in which case the Subrecipient agrees to verify that DHHS has received a copy.
 3. The subrecipient shall immediately commence follow-up action on findings arising from audits or other forms of review. Follow-up action includes responding to those conducting such examinations with clear, complete views concerning the accuracy and appropriateness of the findings. If the finding is accepted, corrective action, such as repaying disallowed costs, making financial adjustments, or taking other actions should proceed and be completed as rapidly as possible. If the subrecipient disagrees, it should provide an explanation and specific reasons that demonstrate that the finding is not valid.
 4. In addition to, and in no way in limitation of any obligation in this subaward, the Subrecipient shall be liable for audit exceptions, and shall return to DHHS all payments made under this subaward for which an exception has been taken or which has been disallowed because of such an exception, upon demand from DHHS.
- B. AMENDMENT. This subaward may be modified only by written amendment executed by both parties. No alteration or variation of the terms and conditions of this subaward shall be valid unless made in writing and signed by the parties.

REV. STAT. §§ 48-1101 to 48-1125. Violation of said statutes and regulations will constitute a material breach of this subaward. The Subrecipient shall insert this provision into all subawards and subcontracts.
- D. ASSIGNMENT. The Subrecipient shall not assign or transfer any interest, rights, or duties under this subaward to any person, firm, or corporation without prior written consent of

DHHS. In the absence of such written consent, any assignment or attempt to assign shall constitute a breach of this subaward.

- E. ASSURANCE. If DHHS, in good faith, has reason to believe that the Subrecipient does not intend to, is unable to, has refused to, or discontinues performing material obligations under this subaward, DHHS may demand in writing that the Subrecipient give a written assurance of intent to perform. Failure by the Subrecipient to provide written assurance within the number of days specified in the demand may, at DHHS's option, be the basis for terminating this subaward.
- F. BREACH OF SUBAWARD. DHHS may immediately terminate this subaward and agreement, in whole or in part, if the Subrecipient fails to perform its obligations under the subaward in a timely and proper manner. DHHS may withhold payments and provide a written notice of default to the Subrecipient, allow the Subrecipient to correct a failure or breach of subaward within a period of thirty (30) days or longer at DHHS's discretion considering the gravity and nature of the default. Said notice shall be delivered by Certified Mail, Return Receipt Requested or in person with proof of delivery. Allowing the Subrecipient time to correct a failure or breach of this subaward does not waive DHHS's right to immediately terminate the subaward for the same or different subaward breach which may occur at a different time. DHHS may, at its discretion, obtain any services required to complete this subaward and hold the Subrecipient liable for any excess cost caused by Subrecipient's default. This provision shall not preclude the pursuit of other remedies for breach of subaward as allowed by law.
- G. CONFIDENTIALITY. Any and all confidential or proprietary information gathered in the performance of this subaward, either independently or through DHHS, shall be held in the strictest confidence and shall be released to no one other than DHHS without the prior written authorization of DHHS, provided that contrary subaward provisions set forth herein shall be deemed to be authorized exceptions to this general confidentiality provision. This provision shall survive termination of this subaward.
- H. CONFLICTS OF INTEREST. In the performance of this subaward, the Subrecipient shall avoid all conflicts of interest and all appearances of conflicts of interest. The subrecipient shall not acquire an interest either directly or indirectly which will conflict in any manner or degree with performance and shall immediately notify DHHS in writing of any such instances encountered.
- I. DATA OWNERSHIP AND COPYRIGHT. DHHS shall own the rights in data resulting from this project or program. The Subrecipient may copyright any of the copyrightable material and may patent any of the patentable products produced in conjunction with the performance required under this subaward without written consent from DHHS. DHHS hereby reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, and to authorize others to use the copyrightable material for state government purposes. This provision shall survive termination of this subaward.
- J. DEBARMENT, SUSPENSION OR DECLARED INELIGIBLE. The Subrecipient certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
- K. DOCUMENTS INCORPORATED BY REFERENCE. All references in this subaward to laws, rules, regulations, guidelines, directives, and attachments which set forth standards and procedures to be followed by the Subrecipient in discharging its obligations under this

subaward shall be deemed incorporated by reference and made a part of this subaward with the same force and effect as if set forth in full text, herein.

- L. DRUG-FREE WORKPLACE. Subrecipient certifies that it maintains a drug-free workplace environment to ensure worker safety and workplace integrity. Subrecipient shall provide a copy of its drug-free workplace policy at any time upon request by DHHS.

Neither party shall be liable for any costs or damages resulting from its inability to perform any of its obligations under this subaward due to a natural disaster, or other similar event outside the control and not the fault of the affected party ("Force Majeure Event"). A Force Majeure Event shall not constitute a breach of this subaward. The party so affected shall immediately give notice to the other party of the Force Majeure Event. Upon such notice, all obligations of the affected party under this subaward which are reasonably related to the Force Majeure Event shall be suspended, and the affected party shall do everything reasonably necessary to resume performance as soon as possible. Labor disputes with the impacted party's own employees will not be considered a Force Majeure Event and will not suspend performance requirements under this subaward.
- N. FUNDING AVAILABILITY. DHHS may terminate the subaward, in whole or in part, in the event funding is no longer available. Should funds not be appropriated, DHHS may terminate the award with respect to those payments for the fiscal years for which such funds are not appropriated. DHHS shall give the Subrecipient written notice thirty (30) days prior to the effective date of any termination. The Subrecipient shall be entitled to receive just and equitable compensation for any authorized work which has been satisfactorily completed as of the termination date. In no event, shall the Subrecipient be paid for a loss of anticipated profit.
- O. GOVERNING LAW. The award shall be governed in all respects by the laws and statutes of the State of Nebraska. Any legal proceedings against DHHS or the State of Nebraska regarding this award shall be brought in Nebraska administrative or judicial forums as defined by Nebraska State law. The Subrecipient shall comply with all Nebraska statutory and regulatory law.
- P. HOLD HARMLESS.
 - 1. The Subrecipient shall defend, indemnify, hold, and save harmless the State of Nebraska and its employees, volunteers, agents, and its elected and appointed officials ("the indemnified parties") from and against any and all claims, liens, demands, damages, liability, actions, causes of action, losses, judgments, costs, and expenses of every nature, including investigation costs and expenses, settlement costs, and attorney fees and expenses ("the claims"), sustained or asserted against the State of Nebraska, arising out of, resulting from, or attributable to the willful misconduct, negligence, error, or omission of the Subrecipient, its employees, consultants, representatives, and agents, except to the extent such Subrecipient's liability is attenuated by any action of the State of Nebraska which directly and proximately contributed to the claims.
 - 2. DHHS's liability is limited to the extent provided by the Nebraska Tort Claims Act, the Nebraska Contract Claims Act, the Nebraska Miscellaneous Claims Act, and any other applicable provisions of law. DHHS does not assume liability for the action of its Subrecipients.
- Q. INDEPENDENT ENTITY. The Subrecipient is an Independent Entity and neither it nor any of its employees shall, for any purpose, be deemed employees of DHHS. The Subrecipient shall employ and direct such personnel, as it requires, to perform its obligations under this

subaward, exercise full authority over its personnel, and comply with all workers' compensation, employer's liability and other federal, state, county, and municipal laws, ordinances, rules and regulations required of an employer providing services as contemplated by this subaward.

- R. REIMBURSEMENT REQUEST. Requests for payments submitted by the Subrecipient shall contain sufficient detail to support payment. Any terms and conditions included in the Subrecipient's request shall be deemed to be solely for the convenience of the parties.
- S. INTEGRATION. This written subaward represents the entire agreement between the parties, and any prior or contemporaneous representations, promises, or statements by the parties, that are not incorporated herein, shall not serve to vary or contradict the terms set forth in this subaward.
- T. NEBRASKA NONRESIDENT INCOME TAX WITHHOLDING. Subrecipient acknowledges that Nebraska law requires DHHS to withhold Nebraska income tax if payments for personal services are made in excess of six hundred dollars (\$600) to any Subrecipient who is not domiciled in Nebraska or has not maintained a permanent place of business or residence in Nebraska for a period of at least six months. This provision applies to: individuals; to a corporation, if 80% or more of the voting stock of the corporation is held by the shareholders who are performing personal services, and to a partnership or limited liability company, if 80% or more of the capital interest or profits interest of the partnership or limited liability company is held by the partners or members who are performing personal services.
