foregoing retention periods, all records shall be maintained until all issues related to an
audit, litigation or other action are resolved to the satisfaction of DHHS. The Subrecipient
shall maintain its accounting records in accordance with generally accepted accounting
principles. DHHS reserves and hereby exercises the right to require the Subrecipient to
submit required financial reports on the accrual basis of accounting. If the Subrecipient's
records are not normally kept on the accrual basis, the Subrecipient is not required to
convert its accounting system but shall develop and submit in a timely manner such
accrual information through an analysis of the documentation on hand (such as accounts

proceed and be completed as rapidly as possible. If the subrecipient disagrees, it should
provide an explanation and specific reasons that demonstrate that the finding is not valid.

4. In addition to, and in no way in limitation of any obligation in this subaward, the
Subrecipient shall be liable for audit exceptions, and shall return to DHHS all payments
made under this subaward for which an exception has been taken or which has been
disallowed because of such an exception, upon demand from DHHS.

Said notice shall be delivered by Certified Mail, Return Receipt Requested or in person with proof of delivery. Allowing the Subrecipient time to correct a failure or breach of this subaward does not waive DHHS’s right to immediately terminate the subaward for the same or different subaward breach which may occur at a different time. DHHS may, at its discretion, obtain any services required to complete this subaward and hold the Subrecipient liable for any excess cost caused by Subrecipient’s default. This provision shall not preclude the pursuit of other remedies for breach of subaward as allowed by law.
