The Subrecipient shall maintain its accounting records in accordance with generally accepted accounting principles. DHHS reserves and hereby exercises the right to require the Subrecipient to submit required financial reports on the accrual basis of accounting. If the Subrecipient's records are not normally kept on the accrual basis, the Subrecipient is not required to convert its accounting system but shall develop and submit in a timely manner such accrual information through an analysis of the documentation on hand (such as accounts payable).

2. The Subrecipient shall provide DHHS any and all written communications received by the Subrecipient from an auditor related to Subrecipient's internal control over financial reporting requirements and communication with those charged with governance including those in compliance with or related to Statement of Auditing Standards (SAS) 122. Follow-up action includes responding to those conducting such examinations with clear, complete views concerning the accuracy and appropriateness of the findings. If the finding is accepted, corrective action, such as repaying disallowed costs, making financial adjustments, or taking other actions should proceed and be completed as rapidly as possible. If the subrecipient disagrees, it should provide an explanation and specific reasons that demonstrate that the finding is not valid.
 4. In addition to, and in no way in limitation of any obligation in this subaward, the Subrecipient shall be liable for audit exceptions, and shall return to DHHS all payments made under this subaward for which an exception has been taken or which has been disallowed because of such an exception, upon demand from DHHS.
- B. AMENDMENT. This subaward may be modified only by written amendment executed by both parties. No alteration or variation of the terms and conditions of this subaward shall be valid unless made in writing and signed by the parties.
- C. ANTI-DISCRIMINATION. DHHS may withhold payments and provide a written notice of default to the Subrecipient, allow the Subrecipient to correct a failure or breach of subaward within a period of thirty (30) days or longer at DHHS's discretion considering the gravity and nature of the default. Said notice shall be delivered by Certified Mail, Return Receipt Requested or in person with proof of delivery. Allowing the Subrecipient time to correct a failure or breach of this subaward does not waive DHHS's right to immediately terminate the subaward for the same or different subaward breach which may occur at a different time. DHHS may, at its discretion, obtain any services required to complete this subaward and hold the Subrecipient liable for any excess cost caused by Subrecipient's default.
