More frequent phone calls may be necessary to maintain communication and develop ongoing rapport. During face-to-face visits, Contractors will :</p> <ul style="list-style-type: none"> <li>• review and discuss the foster parent’s ability to meet the needs of the youth placed in their home, and</li> <li>• identify stressors the foster parent(s) may be experiencing, and</li> <li>• review additional supports or resources to ameliorate the stressors, and</li> <li>• identify and reinforce the strengths demonstrated by the foster parent(s), and</li> <li>• assess the current suitability of the child(ren) placed with the foster parent(s), and</li> <li>• encourage foster parents and youth to complete the “caregiver information form” and the “youth questionnaire form” and submit completed forms to the court, prior to the youth’s review and permanency hearing.</li> </ul>
