

**Can a family be eligible for TMA while serving an Employment First sanction?**

Yes. Regardless of the sanction, the family may be eligible for TMA if the family's earned income would have otherwise made them ineligible for ADC and if the family has received or was eligible to receive an ADC cash payment in three out of the last six months. The family would only be eligible for the transitional grants if they received an ADC cash payment in the previous month.

468 NAC 4-001.01A2, 468 NAC 4-001.01A2a, 468-000-328, Example #15.
