

**EF participant reports that her doctor attributes some of her medical problems, i.e. hernia, back problems, to her excess weight. Is there anything available to help with this?**

EF funds cannot be used to pay for weight loss programs, medications, or food supplements, etc. EF funds also cannot be use to pay for YMCA/YWCA or city recreational memberships/fees or classes at the community college, etc.

The Physician or individual may contact the appropriate Program Specialist in the Medicaid Division to find out what medical services may be covered by Medicaid.
