

Memorandum

To: Health and Human Services Legislative Committee
Developmental Disabilities Special Investigative Committee

From: Jodi Fenner, Director

Date: October 7, 2011

RE: Division of Developmental Disabilities Updates

As you are aware, it has been an exciting couple of years for the Division of Developmental Disabilities. To better update the committees on the various activities of the Division, we wanted to provide information on the various areas. Please find attached an index outlining the information enclosed in the binder. I hope you find the information enclosed helpful. If you have any questions please let me know.
