IV. GENERAL PROVISIONS

A. ACCESS TO RECORDS AND AUDIT RESPONSIBILITIES.

1. All Contractor books, records, and documents regardless of physical form, including data maintained in computer files or on magnetic, optical or other media, relating to work performed or monies received under this contract shall be subject to audit at any reasonable time upon the provision of reasonable notice by DHHS. Contractor shall maintain all records for five (5) years from the date of final payment, except that records that fall under the provisions of the Health Insurance Portability and Accountability Act (HIPAA) shall be maintained for six (6) full years from the date of final payment. In addition to the foregoing retention periods, all records shall be maintained until all issues related to an audit, litigation or other action are resolved to the satisfaction of DHHS. All records shall be maintained in accordance with generally accepted business practices.
2. The Contractor shall provide DHHS any and all written communications received by the Contractor from an auditor related to Contractor's internal control over financial reporting requirements and communication with those charged with governance including those in compliance with or related to Statement of Auditing Standards (SAS) 112 *Communicating Internal Control related Matters Identified in an Audit* and SAS 114 *The Auditor's Communication with Those Charged With Governance*. The Contractor agrees to provide DHHS with a copy of all such written communications immediately upon receipt or instruct any auditor it employs to deliver copies of such written communications to DHHS at the same time copies are delivered to the Contractor, in which case the Contractor agrees to verify that DHHS has received a copy.

3. The Contractor shall immediately correct any material weakness or condition reported to DHHS in the course of an audit and notify DHHS that the corrections have been made.
 4. In addition to, and in no way in limitation of any obligation in this contract, the Contractor shall be liable for audit exceptions, and shall return to DHHS all payments made under this contract for which an exception has been taken or which has been disallowed because of such an exception, upon demand from DHHS.
 5. The above provisions shall survive termination of the contract.
- B. AMENDMENT. This contract may be modified only by written amendment executed by both parties. No alteration or variation of the terms and conditions of this contract shall be valid unless made in writing and signed by the parties.

REV. STAT. §§ 48-1101 to 48-1125. Violation of said statutes and regulations will constitute a material breach of contract. The Contractor shall insert this provision in all subcontracts.
- D. ASSIGNMENT. The Contractor shall not assign or transfer any interest, rights, or duties under this contract to any person, firm, or corporation without prior written consent of DHHS. In the absence of such written consent, any assignment or attempt to assign shall constitute a breach of this contract.
- E. ASSURANCE. If DHHS, in good faith, has reason to believe that the Contractor does not intend to, is unable to, or has refused to perform or continue to perform all material obligations under this contract, DHHS may demand in writing that the Contractor give a written assurance of intent to perform. Failure by the Contractor to provide written assurance within the number of days specified in the demand may, at DHHS's option, be the basis for terminating this contract.
- F. BREACH OF CONTRACT. DHHS may terminate the contract, in whole or in part, if the Contractor fails to perform its obligations under the contract in a timely and proper manner. DHHS may, by providing a written notice of default to the Contractor, allow the Contractor to cure a failure or breach of contract within a period of thirty (30) days or longer at DHHS's discretion considering the gravity and nature of the default. Said notice shall be delivered by Certified Mail, Return Receipt Requested or in person with proof of delivery. Allowing the Contractor time to cure a failure or breach of contract does not waive DHHS's right to immediately terminate the contract for the same or different contract breach which may occur at a different time. DHHS may, at its discretion, contract for any services required to complete this contract and hold the Contractor liable for any excess cost caused by Contractor's

default. This provision shall not preclude the pursuit of other remedies for breach of contract as allowed by law.

- G. **CONFIDENTIALITY**. Any and all information gathered in the performance of this contract, either independently or through DHHS, shall be held in the strictest confidence and shall be released to no one other than DHHS without the prior written authorization of DHHS, provided, that contrary contract provisions set forth herein shall be deemed to be authorized exceptions to this general confidentiality provision. This provision shall survive termination of this contract.

The Contractor shall immediately notify DHHS of any such instances encountered so that other arrangements can be made to complete the work.
- I. **COST PRINCIPLES AND AUDIT REQUIREMENTS**. The Contractor shall follow the applicable cost principles set forth in OMB Circular A-87 for State, Local and Indian Tribe Governments or A-122 for Non-Profit Organizations. Audits must be prepared and issued by an independent certified public accountant licensed to practice. A copy of the annual audit is to be made electronically available or sent to: Nebraska Department of Health and Human Services, Financial Services, P.O. Box 95026, Lincoln, NE 68509-5026.

This provision shall survive termination of this contract.

- O. FORCE MAJEURE. Neither party shall be liable for any costs or damages resulting from its inability to perform any of its obligations under this contract due to a natural disaster, or other similar event outside the control and not the fault of the affected party (“Force Majeure Event”). A Force Majeure Event shall not constitute a breach of this contract. The party so affected shall immediately give notice to the other party of the Force Majeure Event. Upon such notice, all obligations of the affected party under this contract which are reasonably related to the Force Majeure Event shall be suspended, and the affected party shall do everything reasonably necessary to resume performance as soon as possible. Labor disputes with the impacted party’s own employees will not be considered a Force Majeure Event and will not suspend performance requirements under this contract.
- P. FUNDING AVAILABILITY. DHHS may terminate the contract, in whole or in part, in the event funding is no longer available. Should funds not be appropriated, DHHS may terminate the contract with respect to those payments for the fiscal years for which such funds are not appropriated. The Contractor shall be entitled to receive just and equitable compensation for any authorized work which has been satisfactorily completed as of the termination date. In no event shall the Contractor be paid for a loss of anticipated profit.
- Q. GOVERNING LAW. The contract shall be governed in all respects by the laws and statutes of the State of Nebraska. Any legal proceedings against DHHS or the State of Nebraska regarding this contract shall be brought in Nebraska administrative or judicial forums as defined by Nebraska State law. The Contractor shall comply with all Nebraska statutory and regulatory law.
- R. HOLD HARMLESS.
1. The Contractor shall defend, indemnify, hold, and save harmless the State of Nebraska and its employees, volunteers, agents, and its elected and appointed officials (“the indemnified parties”) from and against any and all claims, liens, demands, damages, liability, actions, causes of action, losses, judgments, costs, and expenses of every nature, including investigation costs and expenses, settlement costs, and attorney fees and expenses (“the claims”), sustained or asserted against the State of Nebraska, arising out of, resulting from, or attributable to the willful misconduct, negligence, error, or omission of the Contractor, its employees, subcontractors, consultants, representatives, and

agents, except to the extent such Contractor liability is attenuated by any action of the State of Nebraska which directly and proximately contributed to the claims.

2. DHHS's liability is limited to the extent provided by the Nebraska Tort Claims Act, the Nebraska Contract Claims Act, the Nebraska Miscellaneous Claims Act, and any other applicable provisions of law. DHHS does not assume liability for the action of its Contractors.

3. The above provisions shall survive termination of the contract.

This provision applies to individuals, to a corporation if 80% or more of the voting stock of the corporation is held by the shareholders who are performing personal services, and to a partnership or limited liability company if 80% or more of the capital interest or profits interest of the partnership or limited liability company is held by the partners or members who are performing personal services.

The Contractor shall ensure that all subcontractors comply with all requirements of this contract and applicable federal, state, county and municipal laws, ordinances, rules and regulations.
