

## Independent Provider On-Site Workshops

### Learn all about what Therap can do for you!

You can learn about electronic billing, habilitative programming, secure communication, and much more! On-Site Workshops will be held during the month of October for all Independent Providers. Workshops are drop-in and open to the topics and questions you may have. To help the trainer plan, you are encouraged to register at <https://www.therapservices.net/nebraska-independent-providers/>

When you attend, bring the device you will normally use to document, such as your phone, tablet, or laptop computer. There will be a laptop computer available to use at the Workshop if you do not have a portable device.
