Dear Ms. Von Seggern and Dr. Miller,

I have reviewed the two letters of intent you submitted to us on behalf of the Board of Emergency Medical Services and find that the ideas described therein are reviewable upon receipt of a completed application. Additionally, I have waived the fee requirement for this review. Unless you have already done so, please contact Credentialing Review Program staff at [Matthew.Gelvin@nebraska.gov](mailto:Matthew.Gelvin@nebraska.gov) or [Ron.Briel@nebraska.gov](mailto:Ron.Briel@nebraska.gov) to discuss the procedures that are required for creating a completed application as well as other review procedures that comprise the credentialing review process. Program staff can also be reached by phone at 402/471-6515.

Thank you for your interest in our program.  
Sincerely,
