

RENEWAL UPDATE: Per Executive Order 20-10, license renewal is being deferred for certain license types. Expiration dates for these licenses will appear as 06/30/2021 on License Lookup unless the licensee has renewed. Licenses for these license types may continue to defer renewal until the COVID-19 State of Emergency is lifted. Licensees who choose to renew may do so beginning in mid-January 2021. Postcards will be sent to licensees when renewal is available for their license type.

Licensees who choose to renew should go to dhhs.ne.gov/renew. The record of licensees in any of these license types who choose to renew prior to the end of the declared emergency will reflect a new expiration date. A wallet card can be printed to verify the new expiration date at dhhs.ne.gov/lookup.

If the licensee chooses to continue to defer renewal, the Licensure Unit will notify them when renewal is required. Licensees will then have 90 days to renew. For information regarding Continuing Competency waivers, [click here](#).

License Types with Renewal Deferred by EO 20-10 Include:
