

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State Nebraska

METHODS AND STANDARDS FOR ESTABLISHING PAYMENT RATES

MEDICAL SUPPLIES, EQUIPMENT, AND APPLIANCES FOR SUITABLE USE IN THE HOME

NMAP pays for covered durable medical equipment, medical supplies, orthotics and prosthetics, at the lower of:

1. The provider's submitted charge; or
2. The allowable amount for that procedure code in the Nebraska Medicaid Practitioner Fee Schedule in effect for that date of service. The allowable amount is indicated in the fee schedule as:
 - a. The unit value multiplied by the conversion factor;
 - b. The invoice cost (indicated as "IC" in the fee schedule);
 - c. The maximum allowable dollar amount; or
 - d. The reasonable charge for the procedure as determined by the Medicaid Division (indicated as "BR" - by report or "RNE" - rate not established - in the fee schedule).

Revisions of the Fee Schedule: The Department may adjust the fee schedule to:

1. Comply with changes in state or federal requirements;
2. Comply with changes in nationally-recognized coding systems, such as HCPCS and CPT;
3. Establish an initial allowable amount for a new procedure or a procedure that was previously identified as "RNE" or "BR" based on information that was not available when the fee schedule was established for the current year; and
4. Adjust the allowable amount when the Medicaid Division determines that the current allowable amount is:
 - a. Not appropriate for the service provided; or
 - b. Based on errors in data or calculation.

Providers will be notified of changes and their effective dates.
