RE: Revised CMS-1450 Claim Form (UB-04)

Effective March 1, 2007, Nebraska Medicaid will accept the Form CMS-1450 (UB-04) version. Providers may submit either the current Form CMS-1450 (UB-92) or the revised Form CMS-1450 (UB-04) version through May 22, 2007. As of May 23, 2007 only the revised Form CMS-1450 (UB-04) will be accepted, regardless of the date of service on the claim. Revised claim form instructions can be viewed and printed for your Medicaid Provider Handbook from the Health and Human Services System (HHSS) web site at <http://www.hhs.state.ne.us/reg/appx/atc471.htm>.
