RE: (1) Revised CMS-1500 Claim Form (08-05)

(2) Electronic Claim Attachment Control Number Form (Form MC-2)

(1) Effective as of the date of this notice, Nebraska Medicaid will accept the Form CMS-1500 (08-05) version. Providers may submit either the current Form CMS-1500 (12-90) or the revised Form CMS-1500 (08-05) version through March 30, 2007. As of April 1, 2007 only the revised Form CMS-1500 (08-05) will be accepted, regardless of the date of service on the claim. Revised claim form instructions can viewed and printed for your Medicaid Provider Handbook from the Health and Human Services System (HHSS) web site at <http://www.hhs.state.ne.us/reg/appx/atc471.htm>.

(2) Required paper attachments and forms can now be matched to electronic claim transactions by using the Electronic Claim Attachment Control Number Form, MC-2. The Form MC-2 is to be used when a paper attachment is required for an electronic health care claim (e.g. ASC X12N 837). Form MC-2 and instructions may be viewed and printed at <http://www.hhs.state.ne.us/reg/appx/atc471.htm>.
