

Heritage Health Outreach Overview

May 10, 2016

- **Provider Bulletins** – Nebraska Medicaid will issue provider bulletins with important information for Medicaid providers throughout the implementation of Heritage Health. The next Heritage Health provider bulletin will include provider credentialing information and credentialing-related contact information for each Heritage Health plan. For more information on subscribing to Nebraska Medicaid provider bulletins, please visit http://dhhs.ne.gov/medicaid/Pages/med_pb_index.aspx
- **Heritage Health Website** – The Heritage Health website (www.dhhs.ne.gov/heritagehealth) includes links to information and materials including:
 - Heritage Health-related news releases
 - Common questions for providers and members
 - Facts sheets
 - Heritage Health-related provider bulletins
 - Heritage Health contracts

Additional information such as upcoming Heritage Health forums, webinars, and presentation materials will be added to the website as that information is available.

- **Provider Forums** – Nebraska Medicaid will include updates on the implementation of Heritage Health during meetings and forums hosted by provider associations and advocacy organizations.
- **Statewide Tour** – Nebraska Medicaid will undertake a statewide tour to highlight Heritage Health implementation and to provide a forum for providers, members, and other stakeholders to raise questions and concerns.
