Medicare Savings Program (MSP), Qualified Medicare Beneficiary (QMB), Specified Low-Income Medicare Beneficiary (SLMB), and Qualifying Individual (QI) Income Limits

| FPL | 120% | 135% |
|---------|-------|-------|
| HH SIZE | SLMB | QI-1 |
| 1 | 1,214 | 1,366 |
| 2 | 1,646 | 1,852 |

Eligibility for the payment of the Part B by the State for QMB is effective the first of the month following the month that initial eligibility determination is processed. For example, if you determine an individual meets all eligibility requirements for QMB status on August 15th, the effective date of eligibility for payment of premiums, deductibles, and co-insurance is September 1. However, in no case are benefits effective prior to January 1, 1989, which is the effective date of this provision. Retroactive eligibility is precluded under this provision.

QI's cannot be otherwise eligible for any other Medicaid category. The individual must choose either medically needy/SOC or QI. Retroactive eligibility (up to 3 months prior to application) applies if:

1. The individual met all QI eligibility criteria in the retroactive period; and
2. The retroactive period is no earlier than January 1 of that calendar year.

QIs are eligible if their incomes are at least 120% of the FPL, but less than 135% of the FPL

*For QMB's with a household larger than 2, follow the 100% FPL chart for the households income guideline.

Part B premium increased more than the cost-of-living increase for 2017 Social Security benefits. Generally, if the Part B premium is paid through the monthly Social Security benefit then the \$109 premium is assessed.

The \$134 premium amount is assessed for those newly enrolled in part B in 2017, not receiving social security, being directly billed for Part B, having Part B paid by Medicaid or whose modified adjusted gross income on IRS tax return from 2 years ago is above a certain amount.

Social Security can tell the exact amount the individual is responsible for. See Medicare for more information on Part B costs at: <https://www.medicare.gov/your-medicare-costs/part-b-costs/part-b-costs.html>
