

**Your Medicaid is changing.  
Heritage Health is the new Medicaid managed care program.**

### **What is covered by Heritage Health?**

Heritage Health plans cover your:

- Physical health,
- Behavioral health, and
- Medicines.

### **What are physical health, behavioral health, and medicines?**

Doctor visits; prescriptions; hospital; mental health; emergency room; vision and glasses; medical supplies and equipment; chiropractic visits; skilled nursing; family planning; HEALTH CHECK/EPSDT; therapies; hearing and hearing aids; x-rays and lab work; home health; dialysis; hospice; birthing center; transplants; and treatment for substance abuse

### **I got a Heritage Health mailing, do I need to pick a plan?**

Yes. Heritage Health will cover your physical health, behavioral health, and medicines.

### **What isn't included in Heritage Health?**

Dental, home and community-based waiver services, and nursing home housing costs.

### **Will home and community-based waiver services change?**

No.

### **Do I choose my own Heritage Health plan?**

Yes. There are three plans you can choose from:

- Nebraska Total Care
- UnitedHealthcare Community Plan of Nebraska
- WellCare of Nebraska

### **What if I miss my deadline to choose a Heritage Health plan?**

One will be chosen for you.

### **What if I don't pick a plan?**

One will be chosen for you.

### **What if I don't like my Heritage Health plan?**

All members will have 90 days to change plans after January 1, 2017. You can also ask to change plans later if you have a reason.
