

PROVIDER BULLETIN

No. 10- 61

December 7, 2010

TO: All Providers Participating in the NE Medicaid Program

FROM: Vivianne M. Chaumont, Director 
Division of Medicaid & Long-Term Care

BY: Margaret Brockman, RN, Physician Services Program Specialist

RE: **Enrollment of Physicians in Resident Training Programs**

PLEASE SHARE THIS INFORMATION WITH ADMINISTRATIVE, CLINICAL AND BILLING STAFF.

The Medicaid & Long-Term Care Division will soon begin in December 2010 to contact all Medicaid Providers in order to gather information needed to convert to the HIPAA 5010 Version of electronic transactions. Providers do not need to do anything until the Provider Validation & Agreement Form is received. The validation process is expected to be completed by June 2011.

As part of the validation process we are requesting that information regarding Physicians participating in Resident Training programs be submitted on the Re-Enrollment Form when providers receive them. Each Resident with their NPI number should be listed on the form.

If you have any questions regarding this bulletin, please contact Margaret Brockman at Margaret.brockman@nebraska.gov or (402) 471-9368.
